Constructivism and the Metaphysics of Qualitative Research John Paley, 2024-09-30 This book challenges the widespread assumption that a necessary preliminary to qualitative research is the formulation of ontological and epistemological beliefs It argues that the metaphysical claims which supposedly underpin different approaches to social research do not make sense Literally Sentences such as There is a single objective reality and There are multiple constructed realities fail to make information providing statements They do not refer or describe Despite appearances they say nothing about reality or realities at a fundamental level so they cannot be used to justify ground or align with methodological decisions The necessary preliminary turns out not to be necessary at all and we can dispense with not just paradigms but metaphysical underpinnings in general whether structured as paradigms or not Drawing on Wittgenstein's later philosophy Carnap's metametaphysics and contemporary linguistics the book suggests that the metaphysical claims of qualitative texts can be reinterpreted as performative Ontological and epistemological beliefs

are resolutions and proposals recommendations for the use of language They form part of a creed by means of which researchers enact the joining of an academic community Written in Paley s trademark clear accessible and conversational style the book points to a revolution in our understanding of the relation between metaphysics and social research It will be essential reading for anyone interested in qualitative research and its philosophical foundations **To Right Every Wrong** Dave Andrews,2021-01-21 Dave Andrews s latest book To Right Every Wrong is the last in the Dave Andrews Legacy Series It is a funny sad brutally honest retrospective reflecting on what it has meant for him and his family to seek to live a lifetime dedicated to love and justice The reflections in this book subtitled The Making and Unmaking of One Improbable Minor Prophet come in three parts the personal the prophetic and the paradoxical The personal part explores Andrews s experience of the radical compassionate spirituality that he shares with wife Angie and which has shaped their way of life as a family in community with marginalized and disadvantaged groups of people The prophetic part explores Andrews s embrace of the strange crazy improbable call he felt to be a prophet which he has sought to flesh out in classic prophetic roles as an interrogator a protester a practitioner and an inspirator in contemporary prophetic contexts characterized by poverty and violence The paradoxical part explores Andrews s making and unmaking as a minor prophet critically constructing and deconstructing the more confrontational aspects of the prophetic roles he has played in order to be able to practice more sensitive pastoral care **Transgender** Aaron Devor,Ardel Haefele-Thomas,2019-02-15 This book provides a crucial resource for readers who are investigating trans issues It takes a diverse and historic approach focusing on more than one idea or one experience of trans identity or trans history Transgender A Reference Handbook is a go to resource about the transgender experience The book takes contemporary as well as historic aspects into consideration It looks at ancient indigenous cultures that honored third fourth and fifth gender identities as well as more contemporary ideas of what transgender means Notably it focuses not only on Western medical ideas of gender affirmation but on cultural diversity surrounding the topic This book will primarily serve as a reference guide and jumping off point for further research for those seeking information about what it means to be transgender While a reference book it contains original work that may be cited in addition to the encyclopedia itself In particular the perspectives section of the book includes writings from some of the world s foremost trans writers activists artists and historians **The Migration Conference 2020 Book of Abstracts and Programme** The Migration Conference Team,2020-09-03 This is the book of abstracts for the Migration Conference 2020 8 to 11 September We re pleased to welcome you to the 8th Migration Conference The Migration Conference 2020 is held online via Microsoft Teams platform due to COVID 19 Pandemic restrictions We have as usual covering a wide array of topics in this year s edition too There are about 350 presentations and debates running over 4 days from 8th to 11th September 2020 We have tried to address the time zone differences by moving sessions towards mid day and grouping presentations where possible according to time zones However we believe this is not perfect to accommodate hundreds of
