for the guidance of teachers.

**0553 COMBINED SCIENCE**

0553/50

Paper 5 (Extended Theory), maximum raw mark 80

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners make judgements to award marks. It does not include the details of the discussions that took place at an Examiners' meeting before marking begins, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.

• Cambridge will not enter the discussions or correspondence in connection with these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2011 question papers for most IGCSE, IGCSE Additional Level and Advanced Subsidiary Level syllabuses, and some Ordinary Level syllabuses.
