Choose Your Energy: Change Your Life! Deborah Jane Wells, 2013-05-31 When love transforms your relationship with yourself it transforms your personal life your work and the world When your birth includes a near death experience you know you are in for a wild ride A fifty five year roller coaster of triumph and burnout led to finding my life purpose more than five decades later Mine is a story of hope Yours can be too As a board certified empowerment coach organization transformation consultant Reiki master teacher artist author and broadcast personality I have pursued a lifelong passion for the transformative power of love I help individuals and organizations learn to harness that power to step into their greatness When we choose fear as our fuel any of us individuals and organizations alike can become stuck in the hamster wheel approach to life Trapped by the mistaken belief that busyness is the same as purpose we can't stand the way we were living but feel powerless to change As we work together my clients discover what I discovered when you fall in love with yourself everything else falls into place personally and professionally Choosing love as your core energy automatically enhances every aspect of your life your perceptions opportunities relationships and priorities You get unstuck reclaim your personal power and recapture your zest for living moving yourself forward into a life you love Instead of choosing to live as a victim of circumstance consider embracing the power of loving yourself unconditionally through insights encouragement clear strategies and practical tools built on my personal journey including a sustained eighty pound weight loss freedom from a ten year bout of debilitating depression and finding my

purpose sharing hope possibilities and empowerment with the world living in flow a fluid journey to wholeness grounded in who you are being not what you are doing the Discovery Framework that grew out of my experience including core energy sensory balance and your personal board of directors and Lessons in Living inspired by the journeys of my clients 10 Little Things for a Happier Marriage Santanu Ray,2020-12-01 10 Little Things for a Happier Marriage is among the very few books available that contain this much detailed insight knowledge and practical advice in short form This E book is a thorough and an insightful research work written on the basis of years of practical experiences dealing with overcoming relationship challenges I hope this book will serve millions of couples to find better alternatives for keeping their relationship healthy I found we should not try to correct anyone else Love is not keeping track of all the wrongs that your loved ones do Many couples face traumatic situations in their lives I am agreeing with that it s not your fault if your life partner is abusive but it s the responsibility of the couple to figure out how they re going to react to those traumas and try to make a meaningful life out of it It is very difficult but possible Someone has to take the responsibility to figure out how to overcome it to take positive steps to create a good life for yourself your children Never fall into the trap of feeling like you re a victim you are not a victim With dedication hard work and firm determination you can very well overcome any disastrous situation Have faith in yourself and you will find things that seems hard to achieve is achievable when you work hard to achieve them Good luck And Cheers to life *Life Management - 100 Principles* Ketan Parekh,2014-12-18 The book Life Management 100 Principles is about managing life in all spheres physical and health mental and emotional career and finance and spiritual and humanity It explains how to make life meaningful and live happily The 100 Principles gives an overview of what is life what is in a life how to live happily and how to make all round development of life It says that life is the greatest and wonderful gift of God to humankind We should give return gift to God by living life happily and making meaningful contribution into others life Choose Wisely Neha Evans Francis,2022-01-18 If you want to stay happy then it is imperative that you make the right choice with regards to God friends education and your life partner In case you land yourself up in the wrong God friends education and your life partner then you will be wasting half of your energy in hating the job and that would do no good for your career or your life You will be stuck in a wrong place doing something boring and at the end it will not only affect your professional life but your personal life will also be hampered So you need to be smart when you are taking the decision about your life Are you surrounded by the clamor of conversation and dialogue How can you discern the Holy Spirit s guidance through all of the noise you experience in life In this book I have shared how you can choose wisely different aspects of the life and then decide whether it will be suitable for you in the long run or not The planning will be a time consuming affair but in order to enjoy a successful and happy life you will have to tread that path It is definitely worth the effort as well as the time So choosing wisely is very important Philosophy of Prof.Mukhopadhyay Prof.Suvasish Mukhopadhyay,2019-10-20 This book is very unique It talks of the Philosophy of Prof Mukhopadhyay Prof Mukhopadhyay prefers to read the minds of

human beings more than reading books There are many aspects of his philosophy which are highlighted in this book since he is associated with the field of teaching and learning nearly for three decades for that his view about the education system and philosophy about the education system of the world is portrayed in a very nice manner in this book in several places Mainly it is highlighted that teaching must be a love oriented process not fear oriented He has given very high emphasis of the sexual life of people He believes in open minded culture and supports the live in culture of today s world and he talked at length in this book since sex is an integral and inseparable part of life No one can deny sex because he or she is born out of it Most of us are having a wrong idea about sex and we practise it but refrain ourselves from it That is not correct In these modern eras our old school of thoughts need true amendment and we need to accept the generation gap and unless we accept it society will reject us Because change is inevitable and it is only thing which is bound to take place with time If any reader goes through this book with sincerity the dimension of his or her life is bound to change forever Prof Mukhopadhyay is a counsellor in global level and this is the book through which his philosophy will spread across the world and billions of people will be benefited through this book

do before marriage determines whether your marriage will be heaven on earth or hell on earth Someone has said that before marriage your private parts are for urinating It is only after marriage that they take the additional functions of facilitating sexual pleasure and reproduction Watch out The person you choose or accept as a marriage partner may make or mar God's call on your life build or bastardise your life and make you better or bitter in life The choice is yours Do not get married without having established your God given goal started pursuing it with rigour and vigour and being desperately in need of a helper fit to help you in the accomplishment of that goal The choice is also yours to make your marriage heaven on earth or hell on earth If you and your partner make God an integral and indispensable part of your union it will stand firm and free like a three legged chair If you remove God from it through unbelief backsliding and lack of consecration you make it a two legged chair that cannot stand A successful marriage is the making of both the husband and the wife The husband makes it succeed by being unconditionally loving responsible and protective of his wife The wife on her own part makes it succeed by being unconditionally submissive respectful and pleasing to her husband When these simple principles are violated repeatedly over a sustained period of time dissatisfaction and discontentment set in These may lead to adultery sexual perversion divorce and many other terrible things This volume shows you step by step how to prepare for marriage marry enjoy the married life and avoid the ambushes of marriage It buttresses all these principles with sound testimonies of how things have worked out in the lives and marriages of many born again people worldwide Examples abound in this volume of how some peoples marriages are heaven on earth while others marriages are hell on earth It's all a matter of price paid and obedience to the Lord in His demands on one's life We send this first volume on marriage out with a cry to the Lord that He should use it to produce stable marriages stable homes stable families and so stable churches in this perverse generation
