The New Rabbi Stephen Fried, 2003-08-26 From award winning journalist Stephen Fried comes a vividly intimate portrait of American Judaism today in which faith family and community are explored through the dramatic life of a landmark congregation as it seeks to replace its legendary retiring rabbi and reinvent itself for the next generation The New Rabbi The center of this compelling chronicle is Har Zion Temple on Philadelphia s Main Line which for the last seventy five years has been one of the largest and most influential congregations in America For thirty years Rabbi Gerald Wolpe has been its spiritual leader a brilliant sermonizer of wide renown but now he has announced his retirement It is the start of a remarkable nationwide search process largely unknown to the lay world and of much more For at this dramatic moment Wolpe agrees to give extraordinary access to Fried inviting him and the reader into the intense personal and professional life of the clergy and the complex behind the scenes life of a major Conservative congregation These riveting pages bring us a unique view of Judaism in practice from Har Zion s strong willed leaders and influential families to the young bar and bat mitzvahs just beginning their Jewish lives from the three days a year synagogue goers to the hard core of devout attendees We are touched by their times of joy and times of grief intrigued by congregational politics moved by the search for faith We witness the conflicts between generations about issues of belief observance and the pressures of secular life We meet Wolpe s vigorous minded ailing wife and his sons one of whom has become a celebrity rabbi in Los Angeles And we follow the author s own moving search for meaning as he reconnects with the religion of his youth We also have a front row seat at the usually clandestine process of choosing a new rabbi as what was expected to be a simple one year search for Rabbi Wolpe s successor extends to two years and then three Dozens of r sum s are rejected a parade of prospects come to interview the chosen successor changes his mind at the last minute and a confrontation erupts between the synagogue and the New York based Conservative rabbis union that governs the process As the time comes for Wolpe to depart a venerated house of worship is being torn apart And thrust onto the pulpit is Wolpe s young assistant Rabbi Jacob Herber in his first job out of rabbinical school facing the nearly impossible situation of taking over despite being technically ineligible for the position and finding himself on trial with the congregation and at odds with his mentor Rich in anecdote and scenes of wonderful immediacy this is a riveting book about the search for personal faith about the tension between secular concerns and ancient tradition in affluent America and about what Wolpe himself has called the retail business of religion Stephen Fried brings all

these elements to vivid life with the passion and energy of a superbly gifted storyteller **Kiabàrà** ,1979 *Theological Foundations* John J. Mueller,2007 Here a team of award winning teaching scholars has come together to create an introductory text that offers a truly unique and innovative contribution to the discipline of theological studies This first book provides students of any religious tradition with the foundational skills vocabulary conceptual understanding and research abilities that they need to succeed in theology and religious studies Theological Foundationsprovides the following Ten chapters that introduce the major sub disciplines of theology creating a well rounded source for understanding the discipline as a whole Contributions that are clear accessible and steeped in content A strong basis for vigorous intellectual and personal exploration of life and our relation to God Flexibility that allows the instructor to assign readings in any order that fits his or her syllabus A one of a kind integrated library research component From the Reference Librarian which teaches students the foundational skills needed for successful study in theology and in any academic discipline **Chaim Potok and Jewish-American Culture** ,2002
