

CHP 555D INSTRUCTION MANUAL - DRAFT

TRUCK / BUS COLLISION SUPPLEMENTAL REPORT

The information on the CHP 555D is required by the Federal Motor Carrier Safety Administration (FMCSA). This information on interstate and intrastate carriers is provided by the State of California to the FMCSA by entry into the SAFETYNET system. FMCSA uses the data to target unsafe carriers for more in-depth investigations. A poor safety record can lead to a carrier losing its operating authority. Missing or inaccurate carrier information when reporting on a qualifying crash can allow "unsafe" carriers to escape regulation or cause "safe" carriers to inappropriately have their safety records affected.

Instructions

When to Use This Supplement:

If reporting on a crash with at least one motor vehicle in-transport operating on a trafficway open to the public and that crash results in:

A Fatality: Any person(s) killed in or outside of any vehicle (truck, bus, car, etc.) involved in the crash or who dies within 30 days of the crash as a result of an injury sustained in the crash, **OR**

An Injury: Any person(s) injured as a result of the crash who immediately received medical treatment away from the crash scene, **OR**

A Tow-Away: Any motor vehicle (truck or truck combination, bus, car, etc.) is disabled as a result of the crash and transported away from the scene by a tow truck or other vehicle.

Then this supplement must be completed for **ANY** vehicle included on the primary crash report that has:

- A gross vehicle weight rating (GVWR) of more than 10,000 pounds or a gross combination weight rating (GCWR) of more than 10,000 pounds, **OR**
- Seats to transport nine (9) or more people, including the driver's seat, **OR**
- A hazardous materials placard (regardless of the vehicle's weight).

***Note –** This includes government vehicles and personal rental vehicles (e.g., - Uhaul, Penske). This excludes non-commercial personal use vehicles (e.g., – private citizen utilizing a boat trailer or a large family traveling in a 10-passenger van).
