Christ In My Life Called To Wake The Churches:

Christ in My Life; Called to Wake the Churches John Olson, Virginia Zimmerman, 2014-11-12 Christ In My Life Called To Wake The Churches is the story of John Arthur Olson's life before and after he came into a personal relationship with Christ First we watch him grow up and trace the fingertips of God shaping the events of his life long before he was even aware of it Then we begin to see what God can do with a yielded life as God puts a call on John's life to reach out to others We celebrate with him when he meets and marries Cara and then we cry with him when he loses her tragically We rejoice with him when he is awakened to the reality of a living Lord We walk along with him as he recovers from his wife's loss and begins to experience the life transformation that it is to be a follower of Christ We look on as God takes an ordinary man and places an extraordinary calling on his life to wake the church of Christ from its sleepiness He urges it to live in active obedience to the God who will soon return to the earth He created He will return to judge and destroy sin and then remodel and renovate His earth and rule here forever John tells us that Christians must prepare their hearts In the second part of this book John takes the lukewarm church as spoken of in Revelation 3:14-22 to task He unmasks the deception of name it and claim it teaching so prevalent in America today He urges churches who have supplanted scriptural biblical teaching with political correctness to return to the true God and His true Word as found in the Bible He shares his experience as a new person in Christ with those who have questions about faith and God He covers simply and cogently perplexing questions such as the Trinity and the Holy Spirit He offers help and hope to those who like him have experienced suffering in their life He shows how to begin a new relationship with God and offers down to earth insights for living as a new or renewed Christian He cuts through the clutter and tells us what to expect when the time of Christ's return to earth happens He warns us all that in these perilous end times we cannot afford as churches or individuals to have a casual half baked faith The Lord is returning soon to claim his bride the church and we must be ready
