Christ In The Scriptures Workbook Volume 1:

Theological Hermeneutics and the Book of Numbers as Christian Scripture Richard S. Briggs, 2018-06-25 How should Christian readers of scripture hold appropriate and constructive tensions between exegetical critical hermeneutical and theological concerns This book seeks to develop the current lively discussion of theological hermeneutics by taking an extended test case the book of Numbers and seeing what it means in practice to hold all these concerns together In the process the book attempts to reconceive the genre of commentary by combining focused attention to the details of the text with particular engagement with theological and hermeneutical concerns arising in and through the interpretive work The book focuses on the main narrative elements of Numbers 11 25 although other passages are included Numbers 5 6 33 With its mix of genres and its challenging theological perspectives Numbers offers a range of difficult cases for traditional Christian hermeneutics Briggs argues that the Christian practice of reading scripture requires engagement with broad theological concerns and brings into his discussion Frei Auerbach Barth Ricoeur Volf and many other biblical scholars The book highlights several key formational theological questions to which Numbers provides illuminating answers What is the significance and nature of trust in God How does holiness mediated in Numbers through the priesthood challenge and redefine our sense of what is right or fair To what extent is it helpful to conceptualize life with God as a journey through a wilderness of whatever sort Finally short of whatever promised land we may be what is the context and role of blessing

Christ in the Scriptures Monte Mitchell, 2014-11-24 This book contains outlines that have been compiled and designed for one and only one purpose that is to formulate a picture of the discourse that was communicated between the risen Christ and the two disciples on the road to Emmaus These outlines are centered around the text and beginning at Moses and all the prophets he expounded unto them in all the scriptures the things concerning himself Luke 24 What Christ said to the disciples about the revelation of Himself by the Old Testament prophets is what these outlines are all about and nothing else No one knows for sure and with any certainty how Christ pictured Himself through the Old Testament prophets to the two disciples on the road to Emmaus Did Christ consider their state of mind their physical condition their destination It was with great care and great caution and lots of prayers that the following outlines have been submitted May God bless you as you walk and talk with Christ in your personal Emmaus experience *The Cumulative Book Index* ,1907 A world list of books in the English language *A Hand-book of Christian Evidence* Laurence Winfield Scott, 1880 *Rose Book of Bible Charts* Rose Publishing (Torrance, Calif.), 2014-01-01 From the attributes of God to charts of what the Bible says about prayer forgiveness and money easily cover 27 Bible topics with this easy to use reproducible book Enjoy having hundreds of fascinating facts at your fingertips and quickly find out what you need to know at a glance with dozens of helpful visual aids Covers Christian living Bible study advice simple summaries of books of the Bible and more Plus every page is reproducible make up to 300 copies for your friends small group members and students Covers Key Bible Topics Including Who I Am in
