

AQA A-LEVEL BIOLOGY PAPER 2 UNOFFICIAL MARKSCHEME

What topics need to revise for paper 3?

YOU NEED TO REVISE ALL TOPICS, essay is predicted to be on water. I think paper 3 will have a heavy focus on Topic 8 since it wasn't as touched in this paper (ty).

Essay also could be about nitrogen compounds? You can link to dna and nitrogen cycle etc/ or sequences/cycles as lots of different cycles not on P1/P2 such as including kidneys/nitrogen and phosphorus cycle.

how have the grade boundaries been calculate approx?

GRADE BOUNDARY PREDICTIONS

Overall	Paper 1	Paper 2
A* = 175-180	A* = 85/91	A* = 81/91
A = 153-160	A = 58/91	A = 52/91
B = 120	B = 47/91	B = 44/91

why do you think the grade boundaries are going to increase from last year? I heard that AQA are going to give more A*'s and A's out this year meaning the grade boundary would either stay the same or decrease??? BTW I am aware that these papers were easier than last year and that AQA is trying to go back to 2019 levels. Thanks for answering my question

Yellow part - aqa has a thing on their website stating they try to match the proportion of top grades depending on how the cohort did during GCSEs - but ofc our actual performance will have the most impact

The percentage of people getting an A*, A etc will remain the same as in 2023 and prior to the covid years, raw grade boundaries will increase/decrease depending how well the cohort does nationally. I've based these grade boundaries on easy people found the paper, in reality they'll likely be lower, but since most people (online + at my school) found it easy, i've made the grade boundaries higher

There was also a leak last year. Yes i am aware of that just saying you have to take that into account true, idk how big the leak was, if it was big enough to impact grade boundaries i would've assumed AQA would take action

They were pretty big that they made AQA made a change yhyh u just said it, yh ok

Yeah, AQA introduce new measures to prevent any leaks, so potentially the grade boundaries will be lower. 1stg papers get leaked every year!!!

ICL i think the grade boundaries for the paper 1 and 2 shown above should be higher. I find it hard to believe you need 50 on paper 3 to make 150oish. It's because paper 3 only has 78 marks. Yh ik i'm just saying tahts like A*. Previous AQA boundaries for an A have been around the 150 mark, last year it was 157 inc.

It was 153 not 157, ah ok mb
