

Stop Right There! Save the Ant

Name: Mrs. Kelly
Date: October 1, 2018

Would you like it if someone squished you? I don't think so! So, you simply cannot squish the ant. First of all, ants are so small that you barely notice them. They take up such a small amount of space, it won't bother you. Ants also have families. If you squish one, you'll make it's family so sad. Just like people, ants are living things. Living things should not be squished for no reason. Squishing the ant would hurt him a lot. It is not kind to hurt people, animals or insects. I don't want to be squished you don't want to be squished and the ant doesn't want to be squished. Be kind.
