Common Core Pacing Guide Journeys:

Common Core Curriculum: English, Grades K-5 Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5. Each grade in *The Wheatley Portfolio* features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's *Wheatley Portfolio* guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

Writer's Workshop for the Common Core Warren Combs, 2014-01-09 Writing instruction expert Warren Combs presents a step-by-step plan for teaching writing workshops that are aligned to the Common Core State Standards. The book is filled with practical mini-lessons, strategies, and tools for every stage of the writing process from prewriting through publication. Scripting is provided to show teachers how to model each strategy for students. In addition, Dr. Combs shows how teachers can use the following elements: The concepts Voice, Pictures, and Flow to help students understand the essential elements of writing. The words Invite, Model, Write, Look, and Learn to model effective writing for students and have them learn from your example. Revision strategies such as Jot and Blend, Combining Sentences, Writing Leads, and Writing Closes. Peer revision using Peer-Assisted Learning Systems (PALS). Student self-assessment rubrics. The book also includes scoring guides and pacing guides to help teachers implement writing workshops more easily. As Dr. Combs demonstrates, you can give workshops more structure while still making writing come alive for your students.

Common Core Curriculum Maps in English Language Arts, Grades K-5 Great Minds, 2011-10-19 The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards CCSS. The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, and more. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Any teacher, school, or district that chooses to follow the Common Core maps can
