

VIABLE COMMUNITY INITIATIVES

VMPM, MOST, OPOS, OFB

The complete VCI mission consists of four statements.

THE VMPM

VISION – To reach all the diverse communities of Africa with a message of hope, seeing the defeat of poverty, disease, abuse, and violence now, and for generations to come.

MISSION – To facilitate every community to be equipped and trained in principles and practices that will keep them safe and healthy.

PURPOSE – To equip the community to care for their orphans and widows and most vulnerable members (James 1:27)

METHOD – We call our method OPOS, which stands for “Outcomes, Practices and Open Space”. During OPOS the community will define their goals, beginning with **Outcomes for Children and Basic Home Practices** that are crucial and common to all healthy communities worldwide. This is the activation phase of the program, followed by Outcomes for Business. The community is free, as they work together in groups, to use this methodology to solve any problem.

M.O.S.T – **The Model of Successful Transformation** – We aim to Shatter Conformity, and Spark Transformation by encouraging the participants to think differently, act differently and dream of a greater future. Every successful venture in life begins within the heart and mind of each one of us.

TIME – Your most valuable resource, once gone, you never get it back. The way you manage your time is one of the two most important factors in success.

ENERGY – How you focus your life work and purpose. Narrow your focus, broaden your thinking, and act. When you are stuck in a bad place, even a wrong decision is better than no decision. Get moving, and opportunities will keep coming.

TERRITORY – Always expand your territory. Travel, Conversation, Listening, Observation, Learning, Exploration; the greater your territory the deeper your life will be.

INFLUENCE – Who you influence and who influences you will establish relationships and a network of human capital that will either take you ahead, or leave you behind, fulfill you or leave you empty, complete you, or diminish you. The network of your relationships will determine the outcome of your life. This is the second of the two most important principles of fulfilling your destiny and become MOST.
