Ford Falcon - Commemorative Edition Luke West, 2022-05-09 Ford Falcon Commemorative Edition celebrates the much loved car's six decade rule of Aussie roads and racetracks. With the chequered flag flying on the Blue Oval favourite this book examines the first Falcons to take flight in the early 1960s through to the final FG X. Special emphasis is placed on the glorious decade 1969-78 and the magnificent high performance machines from the Falcon XW GT HO to the XA XB and the Cobra. These are cars that still command instant respect and ooze all the excitement, emotion, colour, freedom and raw power of their time. Ford Falcon captures the stories from the men who designed, developed, built and raced these bred for Bathurst beasts. It features stunning photography of Falcon's triumphs, milestones and majesty. After some 56 years and 3.8 million cars, what better way to say goodbye to Aussie motoring royalty? **Ford Parts Interchange Manual, 1959-1970** Paul A. Herd, 1995

*Bullitt* Matt Stone, 2020-08-15 Get the behind the scenes view of arguably the most iconic automotive movie car and scene in history. Ask any automotive enthusiast what his or her favorite chase scene to appear in a movie is and the majority will respond with Bullitt. It has made the top 5 in every list covering the best automotive chase scenes in history. But the appeal isn't just about the chase scene. Shot entirely on location in picturesque San Francisco in 1968, the movie not only features the historic chase scene but also many outdoor scenes filled with cars and architecture of the period that are filmed in crisp clear color. The movie was the fifth highest grossing film for 1968, it was well received by critics and the chase scene won Franks P. Keller an Oscar for editing. In Bullitt: The Cars and People Behind Steve McQueen, you will get the complete behind the scenes picture of how all the action was coordinated and filmed. Included are the ideas behind the making of the movie, an interview with Director Peter Yates, production stills and the planning for the scene. Also covered is the cast, the building of the cars used in the film and the how and why the stunts were choreographed and filmed. To round out the story, an examination of what happened to the cars is included as well as coverage of the multiple Bullitt Edition cars released by Ford after the film, including the latest 2019 edition. While several books have been published about Steve McQueen, the King of Cool, never before has there been a thorough examination of this specific film and these specific cars. This edition is a welcome addition to the library of any McQueen, Mustang or automotive film history fan. **The Autocar**, 1969-03
