Bad Ideas In The Growth Report:

Lives of the Laureates, seventh edition Roger W. Spencer, David A. Macpherson, 2024-04-30 Autobiographical accounts by Nobel laureates reflect the richness and diversity of contemporary economic thought and offer insights into the creative process with six new laureates *Lives of the Laureates* offers readers an informal history of modern economic thought as told through autobiographical essays by thirty two Nobel Prize laureates in economics The essays not only provide unique insights into major economic ideas of our time but also shed light on the processes of intellectual discovery and creativity The accounts are accessible and engaging achieving clarity without sacrificing inherently difficult content This seventh edition adds six Nobelists to its pages Roger B Myerson co recipient in 2007 describes his evolution as a game theorist and his application of game theory to issues that ranged from electoral systems to perverse incentives Thomas J Sargent co recipient in 2011 recounts the development of the rational expectations model which fundamentally changed the policy implications for macroeconomic models Amartya Sen recipient in 1998 reflects on his use of a bicycle later donated to the Nobel Museum to collect data early in his career A Michael Spence co recipient in 2001 describes among other things his whiplash inducing first foray into teaching an undergraduate class Christopher A Sims co recipient in 2011 discusses his non Nobel research and Alvin E Roth co recipient in 2012 chronicles the three insurrections he has witnessed in mainstream economics *Lives of the Laureates* grows out of a continuing lecture series at Trinity University in San Antonio which invites Nobelists from American universities to describe their evolution as economists in personal as well as technical terms The Laureates W Arthur Lewis Lawrence R Klein Kenneth J Arrow Paul A Samuelson Milton Friedman George J Stigler James Tobin Franco Modigliani James M Buchanan Robert M Solow William F Sharpe Ronald H Coase Douglass C North John C Harsanyi Myron S Scholes Gary S Becker Robert E Lucas Jr Vernon L Smith Clive W J Granger Edward C Prescott Thomas C Schelling Edmund S Phelps Eric S Maskin Joseph E Stiglitz Paul Krugman Peter A Diamond Roger B Myerson Thomas J Sargent Amartya Sen A Michael Spence Christopher A Sims Alvin E Roth

The Political Economy of Crisis Management and Reform in Egypt Mahmoud Mohieldin, Hanan Amin-Salem, Amira El-Shal, Eman Moustafa, 2024-08-09 There is a significant discrepancy between the population of Egypt and the GDP of this country This book offers pragmatic policy prescriptions for Egyptian decision makers It provides a path forward and toward a better future for the Egyptian people The country faces challenges with household income social welfare productivity and many other markers of twenty first century economic success even vis vis other developing country peers This book focuses on framing the optimal macroeconomic policy agenda for Egypt in the face of the big global regional and national forces that are being accelerated intensified or changed by the COVID 19 crisis rather than on specific sectoral policy formulations The authors present these big questions in the context of showing how Egypt can best navigate the risks and seize the opportunities of the current period of intense flux and transition to put itself in the best possible position to create prosperity stability and hope for its citizens The authors examine to what

extent the Egyptian authorities can fulfill their ambitious development plans and in producing this work to provide useful lessons that can be applied to other governments struggling to respond to the challenges of the age

Rich World, Poor World Ali A. Allawi, 2024-04-23 A landmark history of the world economic order exploring how developing countries have fought to escape impoverishment Over the past two decades experiments in neoliberal economics have opened up a chasm of inequality between the Global South and the West Development advice from richer nations has led to social upheaval political unrest environmental degradation and even the creation of a new underclass Brutal extremes of wealth and poverty are now commonplace Ali A Allawi traces the evolution of the world economic order from the late imperial era to the present day Shedding light on continuing controversies Allawi shows how the process of development has been hindered at every turn from poor leadership and lost opportunities to widespread corruption In doing so he argues that the current neoliberal consensus is only the most recent of a series of failed policy imperatives Covering issues in the Global South as well as failures in the West this definitive account offers an impassioned and authoritative call for change

New Structural Economics Justin Yifu Lin, 2012-01-01 This book provides an innovative framework to analyze the process of industrial upgrading and diversification a key feature of economic development Based on this framework it provides concrete advice to development practitioners and policy makers on how to unleash a country's growth potential

Demystifying the World Economic Development Justin Yifu Lin, Caihui Fu, 2024-10-22 Taking the new structural economics as the theoretical tools this book obtains the maximum understanding of the history development current situation and trend of the change of world economic structure as well as China's role in its development and its underlying laws and policies analyzes the polarization between the rich and poor for countries worldwide and provides a way for them to achieve common prosperity The world is going through a new round of major transformation Profound adjustment has been made in international economy science culture security and politics and the international development environment is undergoing profound changes In this context this book profoundly and systematically explains the underlying economic transition logic of world development and the general trend of China's relationship with the world and presents the entire process of world economic development Readers who pay close attention to the development of the world economy China's economic development and China's role in the world economy will find this book very fascinating
