Undetectable = Untransmittable!

The mission of CARF is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process and continuous improvement services that center on enhancing the lives of persons served.

The most recent survey, conducted in November of 2018, resulted in a three-year accreditation of the following programs: Mental Health Residential Programs and Care Coordination/Case Management for adults and children.

* Individuals may participate in more than one program. All attempts have been made to eliminate duplication of individuals counted.
