

SLY GITTENS - MS-100 STUDY GUIDE

Skills measured

- The content of this exam was updated on September 24, 2020. Please download the exam skills outline below to see what changed.
- Design and implement Microsoft 365 services (25-30%)
- Manage user identity and roles (35-40%)
- Manage access and authentication (20-25%)
- Plan Office 365 workloads and applications (10-15%)

[Download exam skills outline](#)

Microsoft Partner Training

- [MS-100: Microsoft 365 Identity and Services Learning Path](#) (Free, the content is slightly older)
 - This content is free and created by Microsoft and its good but some of the content is outdated. If you are a Microsoft partner it may be worth time investment.

CloudAcademy.com Training

- Great third party training. [MS-100 Exam Preparation: Microsoft 365 Identity and Services](#) (\$39 month - 7-day free trial)
- I like the format for this exam and it comprehensive but you will have to leverage the below hyperlinks because a few topics are not covered.

App.Pluralsight.com Training

- Great third party training. [Managing Microsoft 365 Identity and Services \(MS-100\)](#) (\$29 month - 7-day free trial)
- This training is great and dives a little deeper than Cloud Academy. It does provide demos but you must create your own lab environment to test the different concepts. If I had to choose one training it would be this one.

Ingrammicrotraining.com Training

- [Microsoft 365 Identity and Services - MS-100](#) (\$2380.00 USD this 4-day class)
- Full four-day course provides more details than all of the other options and it provides a lab environment. If you are an Ingram Micro partner this would be the way to go if you have the budget for it.

Measureup.com Practice Test

- [Microsoft Official Practice Test MS-100: Microsoft 365 Identity and Services](#) (\$99)
- Great test but the price may be a deal-breaker for some people

Examtopic.com Practice Test

- [Microsoft MS-100 Practice test](#) (Free)
- Free questions and for the most part accurate and the community element is very helpful.
