

Teacher's Guide

Book 1

The following is the suggested class structure for each lesson. The lessons are designed to be completed in two days. Additional teaching suggestions are included.

Class	Lesson Plan
Class 1	1. Writing Opener - Introduce the vocabulary in the Word Bank and have the students practice saying each word. Explain the meaning of any new vocabulary. - Look at the picture and use it to discuss the topic and to answer the questions. - Briefly explain the target grammar. - Teach the students how to make the target idea map and go over the target transition words. 2. Writing Focus - Read each of the sentences in the Writing Model out loud and have the students repeat them. Then have the students read the model text together as a group. - Explain how the sample writings are organized and teach the students what information is included in the different sections. - Complete the Writing Analysis questions and activities. - Teach the target punctuation point. 3. Workbook Idea Map and Language Practice - Students will review the target idea map they learned about in class.
Class 2	1. Writing Organizer - Use this page to review the Writing Model and its different components with the Students. It can also be used to reintroduce the topic of the lesson. 2. Language Focus - Introduce the grammar or sentence structures in the Writing Model and have students practice them. 3. Write Right Idea Map - Teach the new vocabulary. Remind students that they are not limited to only using the words in this section. They can use words they've already learned in the Writing Opener, their own words, or additional words provided by the teacher. First Draft - After students write their first drafts, they can use Check & Revise for self-correction or peer feedback. 4. Workbook Language Practice and Final Paper Students will review the lesson's grammar, sentence structures, punctuation points, and transition words that they have learned about in the lesson. They will also create their final papers after using teacher feedback and Check & Revise to correct their first drafts.
