In challenging economic times, even further cutting of IT costs is a requirement for the survival of many organizations. Whether in the midst of an economic downturn or upturn, effective cost management is critical, as IT costs can be a significant portion of an organization's overhead cost structure and can even impact an organization's competitive position. A Practical Guide to Reducing IT Costs provides a toolkit of innovative ideas to assess and reduce costs in an IT organization. It outlines a compilation of practical advice based on interviews and comments from more than 60 CIOs and IT leaders, and it includes many other proven ideas that, if implemented, will successfully reduce IT costs.
