**Additive Manufacturing and Metallurgy** Robert Pederson, 2020-12-03 The advent of additive manufacturing AM processes applied to the fabrication of structural components creates the need for design methodologies supporting structural optimization approaches that take into account the specific characteristics of the process While AM processes enable unprecedented geometrical design freedom which can result in significant reductions of component weight on the other hand they have implications in the fatigue and fracture strength due to residual stresses and microstructural features This is linked to stress concentration effects and anisotropy that still warrant further research This Special Issue of Applied Sciences brings together papers investigating the features of AM processes relevant to the mechanical behavior of AM structural components particularly but not exclusively from the viewpoints of fatigue and fracture behavior Although the focus of the issue is on AM problems related to fatigue and fracture articles dealing with other manufacturing processes with related problems are also be included      *D&B Reference Book of Corporate Managements* ,1998      The Birth and Death of the

Author Andrew J. Power, 2020-07-09 The Birth and Death of the Author is a work about the changing nature of authorship as a concept In eight specialist interventions by a diverse group of the finest international scholars it tells a history of print authorship in a set of author case studies from the fifteenth to the twenty first century The introduction surveys the prehistory of print authorship and sets the historical and theoretical framework that opens the discussion for the seven

succeeding chapters Engaging particularly with the history of the materials and technology of authorship it places this in conversation with the critical history of the author up to and beyond the crisis of Barthes Death of the Author As a multi authored history of authorship itself each subsequent chapter takes a single author or work from every century since the advent of print and focuses in on the relationship between the author and the reader Thus they explore the complexities of the concept of authorship in the works of Thomas Hoccleve and John Lydgate Andrew Galloway Cornell University William Shakespeare and Christopher Marlowe Rory Loughnane University of Kent John Taylor the Water Poet Edel Semple University College Cork Samuel Richardson Natasha Simonova University of Oxford Herman Melville and his reluctant scrivener Bartleby William E Engel Sewanee The University of the South James Joyce Brad Tuggle University of Alabama and Grant Morrison Darragh Greene University College Dublin
