Gary Hoffman, Glynis Hoffman

Blinded By The Right The Conscience Of An Ex Conservative:

Blinded by the Right David Brock, 2002-04-24 In a powerful and deeply personal memoir David Brock the original right wing scandal reporter chronicles his rise to the pinnacle of the conservative movement and his painful break with it David Brock pilloried Anita Hill in a bestseller His reporting in The American Spectator as part of the infamous Arkansas Project triggered the course of events that led to the historic impeachment trial of President Clinton Brock was at the center of the right wing dirty tricks operation of the Gingrich era and a true believer until he could no longer deny that the political force he was advancing was built on little more than lies hate and hypocrisy In Blinded By the Right Brock who came out of the closet at the height of his conservative renown tells his riveting story from the beginning giving us the first insider's view of what Hillary Rodham Clinton called the vast right wing conspiracy Whether dealing with the right wing press the richly endowed think tanks Republican political operatives or the Paula Jones case Brock names names from Clarence Thomas on down uncovers hidden links and demonstrates how the Republican Right's zeal for power created the poisonous political climate that culminated in George W Bush's election With a new afterword by the author Blinded By the Right is a classic political memoir of our times

Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

The View from Somewhere Lewis Raven Wallace, 2023-04-12 MeToo BlackLivesMatter NeverAgain WontBeErased Though both the right and left wing media claim objectivity in their reporting of these and other contentious issues the American public has become increasingly cynical about truth fact and reality In The View From Somewhere Lewis Raven Wallace dives deep into the history of objectivity in journalism and how it's been used to gatekeep and silence marginalized writers as far back as Ida B Wells At its core this is a book about fierce journalists who have pursued truth and transparency and sometimes been punished for it not just by tyrannical governments but by journalistic institutions themselves He highlights the stories of journalists who question objectivity with sensitivity and passion Desmond Cole of the Toronto Star New York Times reporter Linda Greenhouse Pulitzer Prize winner Rachel Kadzi Ghansah Peabody winning podcaster John Biewen Guardian correspondent Gary Younge former BuzzFeed reporter Meredith Talusan and many others Wallace also shares his own experiences as a midwestern transgender journalist and activist who was fired from his job as a national reporter for public radio for speaking out against objectivity in coverage of Trump and white supremacy With insightful steps through history

Wallace stresses that journalists have never been mere passive observers the choices they make reflect worldviews tinted by race class gender and geography He upholds the centrality of facts and the necessary discipline of verification but argues against the long held standard of objective media coverage that asks journalists to claim they are without bias Publisher's website *Radical Conservatism* Robert Brent Toplin, 2006 An unflinching look at the origins philosophy meanings and impact of the radical form of conservatism that currently dominates American politics Analyzing the literature books magazines newspapers and broadcast sources that define and promote conservatism Toplin leads the reader on a provocative tour of the conservative mind as viewed by a liberal tour guide **The Age of Impeachment** David E. Kyvig, 2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use *Reading and Writing for Civic Literacy* Donald Lazere, 2017-07-05 Lazere's book is heaven sent and will provide a crucial link in the chain of understanding how conflicts are structured and most importantly how they can be rationally addressed a healthy antidote to the scepticism that has become so pervasive in academic life Alan Hausman Hunter College This innovative book addresses the need for college students to develop critical reading writing and thinking skills for self defence in the contentious arena of American civic rhetoric In a groundbreaking reconception of composition theory it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact on the finances of college students as expressed in paired sets of readings from the political left and right Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis *Hollywood Nation* James L. Hirszen, 2006 In an updated study a conservative spokesperson and author of *Tales from the Left Coast* offers an insightful look at how the line between news and entertainment has become blurred as well as how the situation has allowed the liberal media to present their political views within entertainment product Reprint 15 000 first printing **Magill's Literary Annual 2003** Salem Press, 2003-06 Magill's Literary Annual 2003 is the fiftieth publication in a series that began in 1954 The philosophy behind the annual has been to evaluate critically 200 major examples of serious literature published during the previous year Our focus is to provide coverage for works that are likely to be of particular interest to the general reader that reflect the publishing trends of a given year that add to careers of authors being taught and researched in literature programs and that will stand the test of time By filtering the thousands of books published each year down to two hundred notable titles the editors have provided the busy librarian with an excellent reader's advisory tool and patrons with fodder for book discussion groups and a guide for selection The essay reviews in the Annual also provide a more academic reference review of a work than is typically found in

newspapers and other periodical sources This year s works are drawn from such categories as anthropology autobiography biography current affairs diaries economics environment essays history language literary criticism medicine memoirs nature philosophy poetry psychology religion science short fiction sociology technology travel and women s issues The articles are arranged alphabetically by book title A complete list of included titles can be found at the beginning of volume 1 Each 2 000 word article begins with a block of top matter that indicates the title author publisher and price of the work When possible the year of the author s birth is also provided The top matter also includes the number of pages of the book the type of work and when appropriate the time period and locale represented in the text Next comes a capsule description of the work When pertinent a list of principal characters or personages with brief descriptions introduces the review These original essay reviews analyze intent and relative success of the author and the work under discussion To assist the reader further the articles are supplemented by a list of additional reviews for further study Every essay includes a brief biography of the author or authors and thumbnail photographs of the book covers and authors are included as available At the end of volume 2 are four cumulative indexes listing works covered from the years 1977 to 2003 an index of Biographical Works by Subject a Category Index a Title Index and an Author Index The index of Biographical Works by Subject is arranged by subject rather than by author or title

Lying in State Eric Alterman,2020-08-11 This definitive history of presidential lying reveals how our standards for truthfulness have eroded and why Trump s lies are especially dangerous If there s one thing we know about Donald Trump it s that he lies But he s by no means the first president to do so In Lying in State Eric Alterman asks how we ended up with such a pathologically dishonest commander in chief showing that from early on the United States has persistently expanded its power and hegemony on the basis of presidential lies He also reveals the cumulative effect of this deception each lie a president tells makes it more acceptable for subsequent presidents to lie and the media s complicity in spreading misinformation Donald Trump then represents not an aberration but the culmination of an age old trend Full of vivid historical examples and trenchant analysis Lying in State is essential reading for anyone seeking to understand how we arrived in this age of alternative facts

Neoconservatism and the New American Century Maria Ryan,2010-10-15 In the aftermath of 9 11 neoconservatism became one of the most talked about influences on US foreign policy Both critics and supporters have been united by the belief that neoconservatism good or bad is an ideology characterized by its commitment to promoting democracy overseas for strategic or moral reasons or both In Neoconservatism and the New American Century Maria Ryan argues that this purported commitment to democracy was never more than a secondary or tertiary concern and that since 1989 the neoconservatives have consciously and deliberately prioritized strategic interests over moral ones in order to preserve America s unipolar moment

Hillary Rodham Clinton Gil Troy,2006 Chronicles the life of former first lady Hillary Rodham Clinton focusing on her activities during the ten years leading up to her national prominence and her influence on her husband s presidential administration

Blinded By The Right The Conscience Of An Ex Conservative Introduction

In today's digital age, the availability of *Blinded By The Right The Conscience Of An Ex Conservative* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Blinded By The Right The Conscience Of An Ex Conservative* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Blinded By The Right The Conscience Of An Ex Conservative* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Blinded By The Right The Conscience Of An Ex Conservative* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Blinded By The Right The Conscience Of An Ex Conservative* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Blinded By The Right The Conscience Of An Ex Conservative* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Blinded By The Right The Conscience Of An Ex Conservative* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Blinded By The Right The Conscience Of An Ex Conservative books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Blinded By The Right The Conscience Of An Ex Conservative books and manuals for download and embark on your journey of knowledge?
