*Agatha Christie Goes to War* Rebecca Mills,J.C. Bernthal,2019-11-08 Agatha Christie has never been substantially considered as a war writer even though war is a constant presence in her writing This interdisciplinary collection of essays considers the effects of these conflicts on the social and psychological textures of Christie s detective fiction and other writings demonstrating not only Christie s textual navigation of her contemporary surroundings and politics but also the value of her voice as a popular fiction writer reflecting popular concerns *Agatha Christie Goes to War* introduces the Queen of Crime as an essential voice in the discussion of war warfare and twentieth century literature      **Princeton Alumni Weekly** ,1943      *The American Legion Magazine* ,1941      *Speed Demon* Dmitry Kryakvin,2023-01-17 Almost as fascinating as chess is the community of chess players In every major city in the world you are guaranteed to meet interesting people when you walk into a local chess club or chess cafe This book pays tribute to one of those characters who gave colour to the chess world the Russian grandmaster Alexey Vyzhmanavin The best chance to bump into Vyzhmanavin in the 1980s and early 1990s was in Sokolniki park in Moscow playing blitz You could meet him at the 1992 Chess Olympiad as a member of the winning Russian team Or in the finals of the PCA rapid events of the 1990s frequently outplaying his illustrious opponents with his fluent and enterprising style In Moscow in 1994 he reached the semi final narrowly losing out to Vladimir Kramnik having already beaten Alexei Shirov and Viktor Korchnoi Commentating at a PCA event Maurice Ashley described Vyzhmanavin in predatory terms He s a dangerous one looking like a cat ready to pounce For this book grandmaster Dmitry Kryakvin has talked to dozens of people enabling him to give a complete picture of Vyzhmanavin s life The result is a mix of fascinating chess wonderful anecdotes and some heartbreaking episodes The stories are complemented by the memories of Vyzmanavin s ex wife Lyudmila They revive his successes but also reveal the dark side of this forgotten chess genius who battled with depression and the green serpent a Russian euphemism for alcoholism He died in January 2000 at the age of forty in circumstances that remain unclear The stories and games in this book are his legacy      *The American Kennel Club*

*Stud Book Register*, 1952      **Edinburgh** Ian Nimmo, 1991      Wings for Victory Spencer Dunmore, 1994 The proportions of the British Commonwealth Air Training Plan were huge At its peak the plan was graduating over 3 000 aircrew a month from 107 training schools across Canada In total graduates numbered more than 130 000 This enormous war effort made Canada WWII s aerodrome of democracy Full of personal anecdotes *Wings For Victory* is the story of the BCATP and of the politicians who negotiated it into existence of the officers and airmen of the RCAF and the RAF and of the many civilians who made it work day by day Above all it is the story of the young men who entered the scheme as clerks and farmers students and salesmen and graduated as pilots navigators air gunners air bombers and flight engineers In the late 1930s mindful of the need to play an important role in the looming war Canadian politicians conceived of a plan that would entail a major commitment to the war effort yet keep the country s young men at home and avoid the horrendous loss of Canadian lives experienced on the ground in WWI The British Commonwealth Air training Plan was born whereby young recruits from Great Britain Australia and New Zealand would join their Canadian counterparts in training schools to be set up across the country Here they would be trained to fight the battles of the new war in the air Canada was the ideal location far enough away from the threat of air raids and with plenty of wide open space for the business of building airfields and teaching men to fly In a huge country wide mobilization of personnel and resources training facilities were hastily erected from Vancouver to Charlottetown And when young recruits from around the globe started pouring into the scores of towns and villages across the map selected as sites for the BCATP communities were turned upside down Spencer Dunmore follows these raw young recruits through the lengthy selection process and training regimen that awaited them so far from home Many wouldn t make it A large number washed out finding themselves no longer considered pilot material The training process would injure some and kill some more A handful would discover that although they had always dreamed of flying they loathed and feared the reality of it But masses of them were eventually successful and were shipped to Europe where they put their Canadian training to the ultimate test winning the war in the air      **Film Writers**, 2001      Portrait of an Invisible Man Dai Vaughan, 1983 No Marketing Blurb      *Open Your Eyes, Take a Look at the World* Jing Kuo, 1979      **Towards the Morning** James Lansdale Hodson, 1941      **London Calling**, 1943      Minicam Photography, 1941      **Bulletins from Britain**, 1942
