Blanes Turn The Kathleen Turner Series English Edition:

Blane's Turn Tiffany Snow, 2015-06-09 Blane Kirk is a Navy SEAL turned attorney with old money and an even older pedigree. High powered and aggressive, he plays the field changing women as often as he changes his ties, but he's had no complaints so far. He has only two rules: don't date employees and don't get emotionally involved. These are rules he can easily live by until his runner, an employee in his law firm named Kathleen Turner, does an unexpected face plant into his lap. Kathleen's too young and innocent for Blane and much too vulnerable. After her friend is murdered, Blane knows she could be next and he knows that keeping her alive means keeping her close to him. Kathleen's like no woman he's ever met and protecting her could be the one thing to change his life forever. He may be able to keep her safe from the killer, but can he keep her safe from himself? **Blane's Turn** is a companion novel to *No Turning Back*, Book One in The Kathleen Turner Series. Revised edition. This edition of *Blane's Turn* includes editorial revisions. **Point of No Return** Tiffany Snow, 2014 Kathleen Turner wasn't expecting to fall in love when she came to Indianapolis a year ago, much less with two very different brothers. Blane Kirk, former SEAL turned attorney, is every woman's dream man. He's also a playboy who changes women as often as he changes his tie and trying to hold on to Blane could only break Kathleen's heart. Kade Dennon is an assassin for hire and genius hacker and nothing about him is safe. A future with Kade would surely end in disaster for both of them. And the choice Kathleen makes could sign her death warrant. **Turn to Me** Tiffany Snow, 2012 When Kathleen Turner, office runner for the prestigious Indianapolis law firm of Kirk Trent, started dating the boss, she knew the risks. Senior Partner Blane Kirk is known for being a notorious player, the Baskin Robbins of dating, with a different flavor every month. Kathleen is the happiest she's been in a long time, but she's always known there was a termination date on her relationship with Blane. She just didn't expect that termination to be her funeral. Blane's current case is drawing heated debate and stirring the pot of public fury. A former Navy SEAL stands accused of the wrongful death of an American citizen during a military operation overseas. The case has far-reaching political and military implications. Someone with a lot of money and even more clout wants Blane to lose. P 4 of cover **Out of Turn** Tiffany Snow, 2013 After a falling out with her ex-high powered attorney Blane Kirk, Turner is moving on the best she can. Unfortunately, someone from her past is set on revenge and nothing short of killing her will stop them. Keeping his brother's ex-girlfriend alive isn't something new to assassin for hire Kade Dennon, but this time can he protect her from himself? She's a woman he can't convince himself to walk away from, no matter what it costs him. **New York Magazine**, 1993-07-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **No Turning Back** Tiffany A.
