Economics of Labor Richard Allen Lester, 1948 **The Economist**, 1959 **Witnessing the Past** Sigrun Meinig, 2004 **Economic Geography**, 1954 The Russian Armed Forces at the Dawn of the Millennium, 2000 This anthology is an outgrowth of a conference titled The Russian Armed Forces at the Dawn of the Millennium held at the Collins Center of the Army War College's Center for Strategic Leadership from 7 through 9 February 2000 The genesis for the conference was the realization by several members of the staff of the Collins Center and Army War College faculty that the U.S. led NATO operation in Kosovo resulted in a significant shift of Russian views on the United States and NATO The conference also complemented our general objective of examining the changing environment in which the United States including its armed forces finds itself The conference brought together over 50 individuals from academia and the policy and intelligence communities to examine the current state of the Russian military Focusing primarily on the socio-political dimension of the military but not ignoring the military technical dimension the presentations delivered during the conference looked at Russia's domestic environment the state of the military perceived threats and Russia's capacity to generate responses to those threats DTIC web site *Colonial Urbanism in the Age of the Enlightenment* Claudia Murray, 2023-06-06 This book tells the story of how the monarchy aimed at creating a new capital city in a remote and forgotten area of the empire It also shows how the local Creole bourgeoisie rapidly assumed the role of urban developers and enhanced their

economic status by investing in and controlling the Buenos Aires property market In a short period from 1776 to 1810 the urban transformation of Buenos Aires helped increase the Crown s revenues and considerably reduced contraband trade Nevertheless urban changes generated an internal struggle for power for the control of the city between the Spanish loyalist and the local wealthier Creoles As this book concludes for an empire such as the Spanish which was built upon a network of cities the Crown s loss of the control of Buenos Aires urban space was a serious threat to its power that foreshadowed Argentina s wars of independence
