Integrative Strategies for the K-12 Social Studies Classroom Timothy Lintner, 2013-03-01 While the concept of integration or an interdisciplinary curriculum has been around for decades the purposeful practice of integration is a relatively new educational endeavor Though classroom teachers often say they integrate there generally seems to be a lack of understanding of what this thing called integration is theory and what it is supposed to look like in the classroom practice Arguably no other discipline has felt the pressure to integrate more than social studies Marginalized by federal initiatives such as No Child Left Behind and suffering from a general crisis of credibility social studies has been pushed further and further to the proverbial back burner of educational importance Yet regardless of perspective or position social studies remains ripe for integration The crux of this book is to provide educators insights and strategies into how to integrate social studies with other discipline areas Calling upon national experts in their respective fields each chapter chronicles the broad relationship between individual content areas and social studies Multiple examples of integrative opportunities are included At the end of each chapter is a series of grade specific integrative lesson plans ready for implementation This book was purposefully designed as a how to hands on ready reference guide for educators at all stages and all levels of teaching

Many Texts, Many Voices Penny Silvers, Mary C. Shorey, 2012 On any given day a visitor to Mary Shorey's classroom will find elementary students using a variety of learning tools from books to wikis and blogs to pose critical questions about the world and take action to make a difference in the lives of others Whether sponsoring a book drive for victims of Hurricane Katrina using a multimedia presentation to persuade the principal to adopt their recycling plan or challenging a senior citizen's eviction it's all in a day's work for Mary's students Her young learners are becoming conscious consumers creative thinkers and effective communicators even while fulfilling the mandated curriculum and Common Core Standards As Shorey and coauthor Penny Silvers write in Many Texts Many Voices Critical literacy requires that the reader consumer examine multiple perspectives and ask Whose interests are being served and Whose voice is heard or silenced Rather than an

addition to a lesson or curriculum critical literacy is a way of thinking communicating analyzing and living a literate life Critical literacy also implies the possibility of taking some kind of social action in order to support a belief make a difference or simply help during a time of need Always mindful of what is appropriate for young children Shorey and Silvers continually search for opportunities to embed critical literacy and inquiry in the everyday lives of primary students Through a rich array of rubrics sample lessons text sets unit designs and professional resources Silvers and Shorey share their reflective practices so that all teachers can use print visual and digital tools to transform student learning
