This catalog is divided into lettered sections. The pages within each section are numbered with the section letter designation and number of the page within the section such as A1, B1, etc. The page numbers are located in the upper-left corner of each page.

The parts shown in the Illustrations are reference numbered and correspond to the number appearing in the reference number (Ref. No.) column of the parts list immediately following each illustration. DO NOT ORDER PARTS BY THESE REFERENCE NUMBERS. The letters H appearing in the reference number column indicate that the part is used in that particular assembly or arrangement but is NOT ILLUSTRATED. Standard hardware, such as bolts, screws, cotter pins, etc., are listed immediately after the parts with which they are used. An asterisk (*) beside Ref. No. indicates that the part is NOT AVAILABLE as an assembly and must be ordered as individual components. These numbers are included only for reference purposes.

When ordering parts, be sure to give the serial number of the machine and the serial number of the unit on the machine (if applicable) for which the parts are being ordered. Specify if shipment is to be forwarded Collected or Prepaid by Freight, Express, Parcel Post, etc.

Record the serial number of both the power tractor and engine in the space provided below. Your dealer needs this information to give you prompt, efficient service when you order parts or optional equipment.
