Blessings in Disguise Debbie Davis-Jones,2020-07-30 There s not one person that at some time hasn t gone through some kind of trial Suffering has a way of making us self centered but the fact is we are not the only ones suffering Our family and friends are hurting for us They re praying for us and going out of their way and taking up their time to help out however they can For a lot of us their suffering hurts us more than what we are going through At some point we start questioning God and wondering why God has forsaken us God has a time and a purpose for our tribulations This book was written to help you understand God loves you You need to take your trials and pain to him His grace will comfort you The hope is that this book will encourage you to look for the blessings you can receive through trials **Blessings in Disguise** Chelci

Biggs,2020-05-14 I began writing five years ago during Christmas when I couldn t afford gifts for my two children I wrote each a poem instead Always My Baby and Blue Eyed Baby Boy and have been writing since I suffered abusive relationships and writing was therapy and my escape I ve managed to turn my life around and continue to remain clean and sober Not all of my poems are from personal experiences but I attempt to interject myself in other s unique situations With God s grace we can discover the positive in the most dire circumstances **Blessings in Disguise: When Prayers Go Unanswered** C. D.

Swanson,2015-10-17 BLESSINGS IN DISGUISE Sometimes prayers that go unanswered can be blessings in disguise It can happen to any of us if our prayers go unanswered for any length of time But did you ever think that this can be an answer to our prayers God is on His time table and His ways are perfect so maybe just maybe the unanswered prayers can be an answered prayer all along This book takes the reader on a journey inside the lives of regular everyday people who have shared their testimonies and circumstances revealing how an unanswered prayer was in fact truly a blessing in disguise Read about their uplifting trials as they waited for answers You will be inspired and honored to be reading of their heartfelt stories given to the Author who brings them to life with her powerful writing style You will laugh cry and rejoice This book will be a delight to any person of faith and a must have to add to their collection of faith filled stories C D SWANSON is a prolific writer who has written over seventeen books to date and continues to dazzle with her apparent love of the Lord through her humble and down to earth writing style She writes for His glory and delivers another winner in our eyes Her books have received quiet critical acclaim and she s the best kept secret that no one knows about But for her she states emphatically I give all the glory and honor to the Lord my God It is for Him I write So as long as He knows that is the most important thing for me **Blessings in Disguise, and Other Stories. Hood,Alice Sullivan,2013-01-22 Have you ever wondered why God doesn't answer your prayers What do you do when God doesn't make sense and life isn't fair There are probably circumstances in your life right now you don't like Things you want but don't have Things you have but don't want If you're like me you've discovered that life doesn't go like you plan It's filled with struggles pain and challenges But what if I told you the things in your life you've labeled BAD are actually God's BLESSINGS In Blessings in Disguise You'll Learn How to maintain perspective when life gets tough Why God doesn't answer some of your prayers and why you don't have some of the things you want What God's number one objective in your life is Unleash the incredible joy Romans 8:28 can bring to your life And discover that sometimes the best things that happen to you are the worst things that happen to you You'll never see your problems the same way again Guaranteed *Blessings in Disguise* Mani Jack,2018-12-12 Before this I always wondered why God made me walk on those difficult roads as every challenge almost tore my life and my family apart I thought I was unlucky As time went by I was glad that I was given a valuable opportunity to taste all of those bittersweet experiences because they made me emotionally and spiritually strong and wiser I believe that one of the main reasons why God made me experience all of those thorny paths is because perhaps God wants me to share those life lessons with others in order to help them not to give up when life challenges them to the maximum I hope this book will motivate the readers and give them enough light and hope to believe that every obstacle is indeed a blessing in disguise if we are willing to kneel and learn because life itself is a novel in which you are its best writer *Blessings in Disguise* Deb Lamperd,2024-04-23 In the heart of every challenge within the clasp of every tear lies a secret waiting to be unveiled a blessing in disguise Blessings in Disguise Unveiling the Hidden Gifts in Life's Challenges is a beacon of light for those navigating the stormy seas of adversity a testament to the transformative power of perspective and the indomitable spirit of the human soul Crafted from the crucible of personal experience this book emerges as a guide a companion and a source of comfort for anyone who finds themselves walking through the shadowed valleys of life Blessings in Disguise weaves together a collection of revelations that have illuminated the author's path from the dissolution of an 18 year marriage and the trials of health and loss to the profound reawakening to life's simplest yet most profound truths Each chapter enriched with poems born from moments of deep introspection and communion with the universe serves as a mirror reflecting the shared human experience of seeking struggling and ultimately transcending At its core this book champions the power of shifting perspective from seeing life's hurdles as insurmountable obstacles to recognizing them as invaluable opportunities for growth learning and transformation It posits that within every moment of pain or loss lies a hidden gift waiting to be discovered by those brave enough to look beyond the surface Blessings in Disguise is not just a book it's a journey of the soul an invitation to embrace the paradoxes of life with openness and grace It encourages readers to see
