Men Who Hate Women Laura Bates, 2021-03-02 The first comprehensive undercover look at the terrorist movement no one is talking about *Men Who Hate Women* examines the rise of secretive extremist communities who despise women and traces the roots of misogyny across a complex spider web of groups It includes eye opening interviews with former members of these communities the academics studying this movement and the men fighting back Women s rights activist Laura Bates wrote this book as someone who has been the target of many hate fueled misogynistic attacks online At first the vitriol seemed to be the work of a small handful of individual men but over time the volume and consistency of the attacks hinted at something bigger and more ominous As Bates went undercover into the corners of the internet she found an unseen organized movement of thousands of anonymous men wishing violence and worse upon women In the book Bates explores Extreme communities like incels pick up artists MGTOW Men s Rights Activists and more The hateful toxic rhetoric used by these groups How this movement connects to other extremist movements like white supremacy How young boys are targeted and slowly drawn in Where this ideology shows up in our everyday lives in mainstream media our playgrounds and our government By turns fascinating and horrifying *Men Who Hate Women* is a broad unflinching account of the deep current of loathing toward women and anti feminism that underpins our society and is a must read for parents educators and anyone who believes in equality for women Praise for *Men Who Hate Women* Laura Bates is showing us the path to both intimate and global survival Gloria Steinem Well researched and meticulously documented Bates s book on the power and danger of masculinity should be required reading for us all Library Journal *Men Who Hate Women* has the power to spark social change Sunday Times

Master High-Impact Networking That Pays: How to Build Connections That

Multiply Wealth Simon Schroth, 2025-04-02 Networking is about more than just exchanging business cards it's about building powerful relationships that can lead to wealth and opportunity Master High Impact Networking That Pays teaches you how to build meaningful connections with influential people turning your network into a wealth building tool This book shows you how to approach networking strategically develop long lasting relationships and leverage your connections to create mutually beneficial opportunities Whether you're looking for partnerships mentorships or clients this book will give you the tools to build a network that works for you and accelerates your business growth

The Rise of Common-Sense Conservatism Antti Lepistö, 2021-04-20 In the years following the election of Donald Trump a victory that hinged on the votes of white Midwesterners who were both geographically and culturally distant from the media's coastal concentrations there has been a flurry of investigation into the politics of the so called common man The notion that the salt of the earth purity implied by this appellation is best understood by conservative politicians is no recent development though As Antti Lepistö shows in his timely and erudite book the intellectual wellsprings of conservative common sense discourse are both older and more transnational than has been thought In considering the luminaries of American neoconservative thought among them Irving Kristol Gertrude Himmelfarb James Q Wilson and Francis Fukuyama Lepistö argues that the centrality of their conception of the common man accounts for the enduring power and influence of their thought Intriguingly Lepistö locates the roots of this conception in the eighteenth century Scottish Enlightenment revealing how leading neoconservatives weaponized the ideas of Adam Smith Thomas Reid and David Hume to denounce postwar liberal elites educational authorities and social reformers Their reconfiguration of Scottish Enlightenment ideas ultimately gave rise to a defining force in modern conservative politics the common sense of the common man Whether twenty first century politicians who invoke the grievances of the people are conscious of this unusual lineage or not Lepistö explains both the persistence of the trope and the complicity of some conservative thinkers with the Trump regime
