Blood And Sand:

Blood and Sand Frank Gardner, 2010-12-15 On the June 6 2004 while on assignment in Riyadh BBC security correspondent Frank Gardner and cameraman Simon Cumbers were ambushed by Islamist gunmen Simon was killed outright Frank was hit in the shoulder and leg As he lay in the dust a figure stood over him and pumped four more bullets into his body at point blank range Against all the odds Frank Gardner survived Today although partly paralysed Frank continues to travel the world reporting and making documentaries for the BBC This acclaimed memoir was brought up to date with a new chapter that recounted his return to Saudi Arabia for the first time since he was shot and the story he tells continues to move and inspire and remains an affirmation of his deep understanding of and affection for the Islamic world in these uncertain times ____ Gardner tells his remarkable tale well and bravely with an astonishing lack of anger and enduring love and respect for the Islamic world SUNDAY TIMES Brave unsentimental and genuinely inspiring EVENING STANDARD What makes Gardner's moving often humorous deeply personal story so important is the fact that he has woven into it a brilliantly dispassionate clear eyed account of the Islamic world SCOTSMAN A witty self deprecating inspiring testament DAILY TELEGRAPH Bound by Blood and Sand Becky Allen, 2016 A slave living in a dying desert world must decide if she wants to help the kingdom's prince save their world **Blood and Sand** Vicente Blasco Ibañez, 2017-06-21 One of the secrets of the immense power exercised by the novels of Vicente Blasco Ibañez is that they are literary projections of his dynamic personality Not only the style but the book is here the man This is especially true of those of his works in which the thesis element predominates and in which the famous author of The Four Horsemen of the Apocalypse appears as a novelist of ideas in action It is of course possible to divide his works into the manners or periods so dear to the literary cataloguers and it may thus be indicated that there are such fairly distinct genres as the regional novel the sociological tale and the psychological study a convenient classification of this sort would place among the regional novels such masterpieces as La Barraca and Casas y Barro among the novels of purpose such powerful writings as La Catedral La Bodega and Sangre y Arena among the psychological studies the introspective La Maja Desnuda The war novels including The Four Horsemen and the epic Mare Nostrum would seem to form another group Such non literary diversions as grouping and regrouping however had perhaps best be left to those who relish the task It is for the present more important to note that the passionate flame of a deeply human purpose welds the man's literary labors into a larger unity His pen as his person has been given over to humanity He is as fearless in his denunciation of evil as he is powerful in his description of it he has lived his ideas as well as fashioned them into enduring documents he reveals not only a new Spain but a new world While Blasco Ibañez does not desire to be known as regional novelist nor does a complete view of his numerous works justify such a narrow description he has nevertheless in his earlier books made such effective and artistic use of regional backgrounds that some critics have found this part of his production best **Blood and Sand** Vicente Blasco Ibáñez, 2022-09-04 DigiCat Publishing presents to
