Bloodlust Michelle Rowen, 2011-07-05 Jillian Conrad s blood has killed the vampire king Now an enemy to all vampires she is targeted for elimination So is the infant daughter of the dead king If Jillian doesn t stand in the way of her death then everyone living or dead is in great peril **Galactic Bloodlust: A Sci-Fi Novella** Rick Anthony, In the far reaches of the galaxy on the edge of human exploration there existed an ancient civilization long thought extinct This civilization once a powerful and dominating force was home to a terrifying species that had struck fear into the hearts of those who dared to venture into their territory They were the vampires a race of immortal beings who thrived on the life force of their victims and sought to conquer the galaxy in the name of their dark and insatiable hunger The vampires with their immense power and cunning had once been on the brink of achieving their ultimate goal the complete subjugation of all sentient life in the galaxy Yet just as their moment of triumph seemed imminent their civilization had inexplicably collapsed leaving behind only the faintest echoes of their once glorious empire For centuries the remnants of the vampire race had been scattered to the farthest reaches of the galaxy their true nature and history shrouded in myth and legend In the aftermath of the vampires fall the galaxy had been granted a brief reprieve an opportunity to rebuild and forge new alliances in the face of the common threat that had once loomed over them all Yet even as the galaxy s myriad factions and species worked to restore peace and prosperity there were those who knew that the threat of the vampires had not been truly vanquished and that the darkness they had once brought upon the stars still lingered waiting for the moment to strike once more As the centuries passed and the memory of the vampires began to fade into obscurity the galaxy s inhabitants grew complacent believing that the threat of the ancient civilization had been vanquished forever It was in this time of peace and prosperity that a group of intrepid explorers driven by a thirst for knowledge and the promise of untold riches ventured forth into the uncharted reaches of the galaxy unwittingly setting in motion a chain of events that would awaken the long dormant vampire threat and plunge the galaxy into chaos once more The story that follows is one of triumph and tragedy of heroes and villains and of the unrelenting struggle between light and darkness It is a tale of a desperate battle against insurmountable odds with the fate of the galaxy hanging in the balance At its heart this is a story of courage and determination of sacrifice and loss and of the enduring

power of hope in the face of seemingly insurmountable adversity As the galaxy teeters on the brink of annihilation a lone hero will rise to confront the ancient vampire menace their actions serving as a testament to the strength and resilience of the human spirit This is the story of their journey of the challenges they faced and the victories they achieved and of the legacy they left behind for future generations to follow In the face of overwhelming darkness the light of hope will always shine a beacon of defiance against the forces that seek to destroy it The battle against the ancient vampire threat may be won but the struggle for the galaxy's future is far from over The shadows still lurk on the fringes of the known universe waiting for the moment to strike and reclaim what they have lost Yet even in the face of such adversity there remains the promise of a new dawn a future where the galaxy can learn from the mistakes of the past and forge a new destiny free from the specter of the ancient vampire's evil It is this hope that drives our hero forward their unwavering determination and courage a testament to the indomitable spirit of the human race      Killing the Bloodlust Terry Spear,2011-04-16 Crystal Anderson is unique a huntress who is unable to kill vampires without getting emotionally involved So when a vampire targets her to be his mate she's got to change her tune or become the creature she's supposed to kill Hunter Robert Parker is in Texas to take down the vampire that murdered his sister When he runs into Crystal his priorities become something much more grave Army officer Crystal Anderson can't help the draw she has to vampires although she's supposed to be drawn to them to kill those who are renegades since she's a born huntress But something about her is different Ostracized from her family she lives precariously on her own That is until a local vampire targets her Then she meets a fellow Army officer Robert Parker who she believes is one of them a vampire or blood host or something Suddenly nothing is the same Army officer Robert Parker is on assignment at Fort Hood Texas trying to track down the vampire who murdered his sister after hours When he spies Crystal coming out of a vampire house he assumes she's a human host and that she can lead him to his murderer Except he's drawn to her like a hunter would be to a huntress until he learns she's not quite right She's fighting alone without a family of hunters support and he's bound to do something about it before she gets herself killed or worse

Harrison,2008-02-26 To save the lives of her friends Rachel did the unthinkable she willingly trafficked in forbidden demon magic And now her sins are coming home to haunt her As Rachel searches for the truth behind a terrifying murder an even greater menace threatens for the demon Algaliarept will stop at nothing to claim her and the discovery of a shocking family secret throws Rachel's entire life into question If she is ever to live free Rachel must first walk willingly into the demonic ever after in search of long lost ancient knowledge But when you dance with demons you lay your soul on the line and there are some lines that should never be crossed      **THE CURSE OF THE DOONE** Sydney Horler,1928      **My Vampire and I** **Volume Six** J. P. Bowie,2013-02-01 Blood Lust A demon assassin is sent to destroy Marcus Verano and his loyal friends both human and vampire but his plans are thwarted when he falls under the spell of the blood lust cast by Andrew Beres vampire

Tommy Cordain and his vampire lover Andrew Beres have been living together for several months. For obvious reasons Tommy has kept his relationship with Andrew as much of a secret as he can especially among his fellow fire fighters. But when a vengeful demon invades their lives taking over Tommy's body and lusting after Andrew all that changes. Blood Talisman. Several months after Dakar's demon army was defeated and Dakar killed in the conflict Andrew Beres is still haunted by the memory of Dakar telling him there is a talisman that would reverse his immortality and allow him to live a normal life with his lover firefighter Tommy Cordain. Despite Master Vampire Marcus Verano's doubt that the Talisman of Ardocan actually exists Andrew is determined to find the truth of it once and for all. His obsession leads him Tommy and their vampire friends on a journey to the ancient ruins of Babylon and to the remains of an underground city the City of Ardocan where legend has it the Talisman is buried its secrets hidden from eyes and minds for thousands of years.
