Blood Wager Blood Destiny English Edition:

Blood Wager Connie Suttle, 2011-06-27 Lissa's life as a vampire begins on the day her husband is removed from life support. Turned by rogues who wager her life, Lissa is running from her maker who is determined to kill her. Hunted by the Council who has branded her a rogue and blackmailed by werewolves who utilize her newly developed talents for their own gain.

Blood Revolution Connie Suttle, 2013-07-27 Just because you've never seen it doesn't mean it can't exist. I pointed out, "You just haven't been in the right place or time before." Being in the right place and time with Sirenali sounds crazy and scary as hell. Jayson breathed, "Why can't it be some of those short friendly guys?" There are short friendly guys, but they don't have any desire to invade somebody else's planet. I said, thinking of the Amterean Dwarves, "The only thing they might want to invade was Earth's libraries and information systems. Information was more valuable than precious metals on Amterea." We're screwed. Jayson muttered, "Opal stifled a snicker. Earth has been invaded and those who have made a difference throughout time are targeted. The enemy's goal: Change things in their favor." The General and his servants still have hopes of finding the Mighty and luring at least one of them into a trap. Will Love, Strength, and Wisdom survive as they struggle to save those who are important to their cause? Only time will tell.

Blood Rebellion Connie Suttle, 2012-02-28 I rubbed my forehead where the pale line showed from wearing the coronet. People waiting on me and I have hat lines. Lissa expected her life as Queen of Le Ath Veronis to run smoothly. At least for a little while. Reality has a way of intruding on even the most idyllic of circumstances. Complications arise in the form of creatures created by the Ra Ak who now seem bent on destroying the universe, one planet at a time. The former Ra Ak and Elemaiya who were left on Kifirin are determined to rebel. Vampires are clamoring for entertainment and other distractions, and family that Lissa never suspected she had show up some of them in the most unexpected of ways. Lissa has to juggle all the difficulties in her life all while dealing with the ugliest of betrayals.

Blood Passage Connie Suttle, 2011-08-28 Lissa finds herself in demand by the Vampire Aristocracy. Forced into an unexpected engagement as a result, Lissa feels trapped and stifled as she continues training with her surrogate sire. When a request comes from the Grand Master of the werewolves, Weldon Harper, Lissa leaps at the opportunity to work as his bodyguard. Once more, Wlodek, Head of the Vampire Council, in an effort to solidify vampire-werewolf relations, allows Lissa to provide protection for the Grand Master during his yearly travels across the U.S. The only vampire ever named Pack, Lissa is permitted to work with the Grand Master without supervision from others of her kind. Things become complicated and then downright deadly as old enemies reemerge. Intent on exacting revenge for a failed coup against the Grand Master, rogue werewolves join with new and perilous allies. Now Lissa must find a way not only to keep the werewolf race alive but the vampires as well.

Blood Sense Connie Suttle, 2011-09-12 Saxom is dead. The vampires know this. Anthony Hancock, Director of the Joint NSA Homeland Security Department, knows it as well. Tony and the vampires are now on the hunt for Saxom's brood, all of whom are determined to avenge their sire's death. Neither Tony nor the vampires are aware of the other

s efforts to search out these rogues who may number in the hundreds at the very least Tony holds information the vampires don't he knows that Xenides Saxom's eldest vampire child has allied with terrorists both foreign and domestic Tony also neglects to provide vital information to Wlodek when he requests Lissa's help While struggling to recover from a near fatal bout with the sun Lissa fails to understand why Wlodek willingly sends her away on assignment so quickly With very little information provided to her Lissa is forced to face an enemy more deadly than anyone can imagine and unravel a plot that could kill millions **Blood Finale** Connie Suttle,2013-12-20 We have won brother The Three are no more and those who remain have clearly reached a stalemate in combatting the General and his army All that is left for us to do is take everything and let chaos rule I only wait for Calhoun to return so we might continue our search for Kiarra A promise was made to us and I will see it fulfilled The countdown for the final battle begins **Blood Love** Connie Suttle,2013-09-14 You think maybe Breanne is somewhere else now deciding whether it's worth it to come back It's possible Ashe said rubbing his forehead He hadn't had a headache this bad in almost a decade He'd had this one for four days She may not want to stay here if she wakes up Trajan sounded troubled I know Sometimes I want to kick my own ass over that I'll do it for you Look you're still the better fighter so no thanks Ashe held up a hand The rogue gods sure that the Mighty Heart is dead have stepped up their game Bill Hank and the others are concentrating on tracking a human known to have ties with the rogues Vernon Clark Vernon has manipulated many things in the past from his website He was the first to claim that Breanne was a lie created by Rome Enterprises to destroy Joyce Christian's reputation after her death He has many nefarious contacts and not just with rogue gods and Sirenali Hoping to get information and locations on the enemy from their quarry Bill and his team travel to New Mexico where Vernon Clark was last seen Their search for the enemy then leads to other states where things are beginning to heat up Wildrif the quarter blood Elemaiyan seer has become an unreliable source of information as he can't see past shields surrounding Bill's group so Acrimus and Calhoun bring in another seer one so dangerous even those who resurrect him fail to understand their peril The God Wars continue **Blood Alliance** Connie Suttle,2018-10-24 Zaria There's a slight problem Teeg San Gerxon announced as he appeared next to Rylend What's that Vik asked I already knew from reading it in Teeg's face Irina's body had been found I recognized her image in Teeg He still didn't know her identity but testing on her body revealed that she died of radiation poisoning and that she was originally from Old Earth After his escape from Earth in the past D's lay appears in the Reth Alliance in the future Zaria can only follow D's lay's trail of crimes something or someone prevents her from finding him Is D's lay the real villain or is he only a distraction for other more sinister plans When it becomes apparent that important hub worlds are in danger Lissa Reah Zaria and many others must form a Blood Alliance to combat the coming chaos Will their efforts prove effective or has the plot against them been laid too well **Blood Double** Connie Suttle,2013-04-30 Breanne's Journal Eleven days Eleven days it took for me to become vampire The beating had revived old nightmares and I only wished to die I'd shaken my head and muttered no through lips so
