## **Blood Brothers Of Gor Gorean Saga 18:**

**Blood Brothers of Gor - Special Edition** John Norman, 2013-03 John Norman's epic Gorean Saga is one of the longest running and most successful series in the history of fantasy. It is also one of the most controversial. Over the course of more than thirty books produced over a span of six decades, the series has sold millions of copies and built legions of fans unrivaled in their devotion. E Reads invites you to rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. **BLOOD BROTHERS OF GOR** Book 18 of the Gorean Saga. Half Ear or Zarendargar, a Kur general fallen from favor in the Steel Worlds, now sought by a death squad of his savage compeers, has determined to lure his pursuers into the Barrens, the vast prairies to the east of known Gor, populated by warring tribes known to Goreans as the Red Savages. He has arranged matters in such a way that he will be abetted in his stand against the death squad and its human allies by a human ally of his own, his former foe Tarl Cabot. The ancestors of the Red Savages, as those of many other Goreans, were brought to Gor long ago in Voyages of Acquisition by the Priest Kings. The Red Savages were settled in an area not unlike that of their former home, a sweeping almost endless grassland where they tend to continue their former ways of life and war. Read the entire saga now with brilliant new cover art specially commissioned by E Reads.
