Blood Lust English Edition:

Bloodlust Russell Jacoby, 2011-04-05 THROUGHOUT HISTORY AND ACROSS CULTURES the most common form of violence is that between family members and neighbors or kindred communities in civil wars writ large and small From assault to genocide from assassination to massacre violence usually emerges from inside the fold You have more to fear from a spouse an ex spouse or a coworker than you do from someone you don't know In this brilliant polemic Russell Jacoby argues that violence erupts most often and most savagely between those of us most closely related An Indian nationalist assassinated Mohandas Gandhi the father of India An Egyptian Muslim assassinated Anwar Sadat the president of Egypt and a recipient of the Nobel Peace Prize An Israeli Jew assassinated Yitzhak Rabin the Israeli prime minister and similarly a recipient of the Nobel Peace Prize Genocide most often involves kindred groups The German Christians of the 1930s were so closely intertwined with German Jews that a yellow star was required to tell the groups apart Serbs and Muslims in Bosnia like the Hutu and Tutsi in Rwanda are often indistinguishable even to one another This idea contradicts both common sense and the collective wisdom of teachers and preachers who declaim that we fear and sometimes should fear the other the dangerous stranger Citizens and scholars alike believe that enemies lurk in the street and beyond where we confront a clash of civilizations with foreigners who challenge our way of life Jacoby offers a more unsettling truth it is not so much the unknown that threatens us but the known We attack our brothers our kin our acquaintances our neighbors with far greater regularity and venom than we attack outsiders Weaving together the biblical story of Cain and Abel Freud's narcissism of minor differences insights on anti-Semitism and misogyny as well as fresh analyses of civil bloodbaths from the St Bartholomew's Day Massacre in the sixteenth century to genocide and terrorism in our own time Jacoby turns history inside out to offer a provocative new understanding of violent confrontation over the centuries In thinking about the bad we reach for the good he says in his Introduction This passionate counterintuitive account affords us an unprecedented insight into the roots of violence

I You We Them, Vol. 1 Dan Gretton, 2020-07-21 A powerful historical investigation into crimes against humanity and those who give the orders from the safety of their desks The Spectator A Washington Post Notable Nonfiction Book of the Year A Spectator UK Best Book of the Year I You We Them is an unprecedented study of the perpetrators of crimes against humanity the desk killers who ordered and directed some of the worst atrocities of the modern era From Albert Speer's complicity in Nazi barbarism to Royal Dutch Shell's role in the murders of Nigerian activist Ken Saro Wiwa and the rest of the Ogoni Nine Dan Gretton probes the depths of the figure who by giving orders uses paper or a phone or a computer to kill instead of a gun Over twenty years Gretton interviewed survivors and perpetrators and pored over archives and thousands of pages of testimony His insight into the psychology of the desk killer is contextualized by the journey he took to penetrate it Woven into the narrative are his contemplative interludes perspectives gleaned during walks in the woods reminiscences about a lost love and considerations of timeless moral conundrums The result is a genre bending work steeped

as much in personal reflection as it is in literature and historical and psychological illumination A synthesis of history reportage and memoir I You We Them is the first volume of a groundbreaking journal of discovery that bears witness to and reckons with the largest and most pressing questions we face Gretton raises profoundly unsettling questions about the capacity for doing evil that exists within all of us and the ways in which the distancing effect of technology allows perpetrators to avoid thinking about the consequences of their actions Irish Times The subject is tremendously important in a time grown ever darker and ever more reminiscent of the darkest days in modern world history Kirkus Reviews A uniquely gripping journey around the landscapes of mass murder Philippe Sands author of East West Street On the Origins of Genocide and Crimes against Humanity **Bloodlust** Gar Mallinson,2017-12-28 Private investigator Harry Hargreaves and his partner Sabina Harris along with the RCMP are investigating the disappearance of a young woman Unable to find either leads or suspects the pressure builds When a young girl from Singapore also goes missing the investigation turns international and political Now the matriarch of Chinatown joins the chase and the media has a field day When two disemboweled bodies covered in strange markings are discovered in the bush around Harbour City and a third girl disappears everybody gets caught up in a tsunami of events that sweeps them deeper and deeper into the dark murderous world of a psychopathic killer The Letters of D.
