Prince of Wolves Quinn Loftis, 2011-06-29 Jacque Pierce was just an ordinary 17 year old girl getting ready to start her senior year in high school in Coldspring Texas When a mysterious foreign exchange student from Romania moves in across the street Jacque and her two best friends Sally and Jen don t realize the last two weeks of their summer was going to get a lot more interesting From the moment Jacque

sets eyes on Fane she feels an instant connection a pull like a moth to a flame Little does she know that the flame she is drawn to is actually a Canis Lupus werewolf and she just happens to be his mate the other half of his soul The problem is Fane is not the only wolf in Coldspring Texas Just as Fane and Jacque are getting to know each other another wolf steps out to try and claim Jacque as his mate Fane will now have to fight for the right to complete the mating bond something that is his right by birth but is being denied him by a crazed Alpha Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy will Jacque accept that she is Fane s mate and complete the bond between them *Resounding Silence* Quinn Loftis,2016-12-28 The events chronicled herein occur after the destruction of Reyaz the Warlock which was recounted in Sacrifice of Love A few months of peace were enjoyed by the various supernatural races before an increase in attacks by vampires in the human realm which was recounted in Den of Sorrows forces the elves fae and werewolves to go to battle once again Duty sacrifice service and discipline These were the characteristics that described Cyn the warrior fae Though love was out of her reach she thought this life was all she needed She had never been more wrong A chance meeting with the Prince of the Elves turns her carefully structured world upside down Thalion is loyal to his people above all else As the prince of the Elves it is his duty to protect them His loyalty has never been in question But then he s never met anyone like Cyn before The destiny of both their races may hinge on whether an elf and a fae can overcome their differences and face an uncertain future together The Burning Claw Quinn Loftis,2016-09-10 Jacque s mind wandered as she hovered somewhere between life and death Her body longed to let go to sink into the peaceful abyss to the place where she didn t have to worry about rabid child snatching vampires and the carnage they d caused to so many innocent families But something kept her here tethered to this world something she couldn t quite remember hovered just on the edge of her consciousness something vital It wasn t Fane he would be with her on the other side she knew that If she died he died too and he wouldn t have it any other way She could feel Peri s presence in her body The fae was fighting expending every ounce of her energy to keep her and Fane alive and the strain was taking its toll on the fae But why Why was the fae fighting as if her own life depended upon Jacque s survival Jacque was starting to remember someone else someone that depended on her A brand new life precious and perfect her son Costin s best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae But the thread holding Costin to his own sanity was just as feeble Sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone Simply vanished Costin didn t know how or where and it was tearing him up inside The young boy Titus his adopted son was the only thing that kept his wolf from taking over completely Costin would be strong for the boy for as long as he could but he wasn t sure how long he could keep the feral would at bay Bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she d served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant Though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that

had staked his claim on her Drake was past the point of feral when he d found her and that kind of darkness doesn t let go without a fight The strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf Bethany a dormant who had no idea who or what she was didn t stand a chance *Just One Drop* Quinn Loftis,2012-08-15 Jennifer Adams best friend to Jacque Pierce and Sally Morgan spicy out spoken a little crazy and human or so she thought Jen has just found out that human DNA is not the only thing that resides in her veins she happens to share that little pesky werewolf gene although it isn t more than just a drop Now that she and her friends are living in Romania with Fane s pack she is also oh so conveniently stuck with the object of her affection the fur ball Decebel Drawn to each other by something they don t understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball Not only is she dealing with that not so un frustrating problem she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi pack gathering for unmated wolves This type of gathering hasn t taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won t ever find their true mates Meanwhile Decebel struggles with the emotions he is feeling towards Jen He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can t seem to get enough of go figure *Rapture* Quinn Loftis,2013-12-24 Triktapic the deadly dark elf assassin has been restored by the Forest Lords to his rightful place as king of the Elven realm Now he must face his former comrades as he attempts to stop Lorsan king of the dark elves from enslaving the human race Lorsan has already begun distributing Rapture the irresistible drink that destroys those who unknowingly become addicted to it Will Cassie his Chosen be able to give Trik the strength he needs to face his dark past Meanwhile Cassie s best friend Elora is in a fight for her own life Elora her mother Lisa and a small band of light elves have traveled deep into the dark elf realm in hopes of rescuing Cassie and Trik But their mission quickly turns into a battle for their own lives as they are surrounded by Lorsan and his warriors Though outnumbered ten to one the humans and elves fight heroically They fight for a King once lost but now found They fight for the human realm that doesn t yet know it is in need of saving They fight for love a love that has already been discovered and a love that is waiting to be revealed Despite their valiant efforts the band is captured and held captive by the dark elf king The peaceful world that Cassie and Elora knew is long gone shattered by their realization that elves walk secretly among them and are bent on their destruction Soon each of the girls will be forced to choose her own path Cassie must decide to which world she belongs and Elora must decide if she will fight for a warrior hell bent on keeping her from his side Two species human and elf stand on the precipice of war united in one goal shatter the dark elf king s plan and unite a divided race under the rule of the one true King **The Grey Wolves Series Books 4-6** Quinn Loftis,2019-10-28 Darkness has descended on the Transylvanian Alps The Grey Wolves Series continues as the pack recovers from betrayal by one of their own an Alpha hell bent on becoming the most powerful Canis
