Blood Slave English Edition:

Bad Blood Emily Weissbourd, 2023-04-18 *Bad Blood* explores representations of race in early modern English and Spanish literature especially drama. It addresses two different forms of racial ideology: one concerned with racialized religious difference that is the notion of having Jewish or Muslim blood and one concerned with Blackness and whiteness. Shakespeare's *Othello* tells us that he was sold to slavery in his youth, a phrase that evokes the Atlantic triangle trade for readers today. For many years, however, scholars have asserted that racialized slavery was not yet widely understood in early modern England and that the kind of enslavement that *Othello* describes is related to Christian-Muslim conflict in the Mediterranean rather than the rise of the racialized enslavement of Afro-diasporic subjects. *Bad Blood* offers a new account of early modern race by tracing the development of European racial vocabularies from Spain to England. Dispelling assumptions stemming from Spain's historical exclusion of Jews and Muslims, that premodern racial ideology focused on religious difference and purity of blood more than color, Emily Weissbourd argues that the context of the Atlantic slave trade is indispensable to understanding race in early modern Spanish and English literature alike. Through readings of plays by Shakespeare, Lope de Vega, and their contemporaries, as well as Spanish picaresque fiction and its English translations, Weissbourd reveals how ideologies of racialized slavery as well as religious difference come to England via Spain and how both notions of race operate in conjunction to shore up fantasies of Blackness, whiteness, and pure blood. The enslavement of Black Africans, Weissbourd shows, is inextricable from the staging of race in early modern literature.

Between Blood and Gold

Frédérique Beauvois, 2016-12-01 Today, a century and a half after the abolition of slavery across most of the Americas, the idea of monetary reparations for former slaves and their descendants continues to be a controversial one. Lost among these debates, however, is the fact that such payments were widespread in the nineteenth century, except the victims were not slaves but the slaveholders deprived of their labor. This landmark comparative study analyzes the debates over compensation within France and Great Britain. It lays out in unprecedented detail the philosophical, legal, political, and economic factors at play, establishing a powerful new model for understanding the aftermath of slavery in the Americas.

Crowns of Glory, Tears of Blood Emilia Viotti da Costa, 1994-05-19 On the night of August 17, 1823, the distinctly African sounds of blaring shell horns and beating drums signalled the start of one of the most massive slave rebellions in the history of the Western Hemisphere: the uprising in the British colony of Demerara, now Guyana. That evening, nine to twelve thousand slaves surrounded the main houses of about sixty plantations, armed with cutlasses, knives fastened on poles, and guns. They broke down doors, smashed windows, commandeered arms and ammunition, and put their masters and overseers in the stocks. Intent on avoiding a blood bath, over three days of fighting, colonial forces took the lives of more than 255 slaves, while only two or three white men were killed. The rebels spoke of rights and planned to present their grievances to the governor. For a few days, the slaves succeeded in turning the world upside down, treating masters the way masters had always treated slaves.

Retaliation from colonial officials would be swift bloody and brutal In *Crowns of Glory* Emilia Viotti da Costa tells the riveting story of a pivotal moment in the history of slavery Studying the complaints brought by slaves to the office of the Protector of Slaves she reconstructs the experience of slavery through the eyes of the Demerara slaves themselves Da Costa also draws on eyewitness accounts official records and private journals most notably the diary of John Smith one of four ministers sent by the London Missionary Society to convert Demerara s heathen to paint a vivid portrait of a society in transition shaken to its foundations by the recent revolutions in America France and Haiti Smith and his wife Jane the planters and colonial politicians and the leaders of the rebellion emerge as flesh and blood individuals players trapped in a complex political game none of them could fully understand Unravelling the complex web of events leading up to the climactic rebellion Da Costa explains how Smith a dedicated but inexperienced minister who arrived at the Le Resouvenir plantation confident that all faithful missionaries would win a crown of glory that faded not away could seven years later find himself convicted by court martial of fostering rebellion amongst the slaves and sentenced to be hanged by the neck until dead She details the colonials orgy of repression following the rebellion scores of slaves were sentenced more or less at random to grisly public executions and ritualistic floggings and Smith died in his cell before news arrived that the Crown had granted him mercy and shows how it fueled the anti slavery movement in Britain leading to the abolishment of slavery in the colonies ten years later Casting new light on the nuances of racial relations in the colonies the inevitable clash between the missionaries message of Christian brotherhood and a social order based on masters and slaves and the larger historical forces that were profoundly eroding the institution of slavery itself *Crowns of Glory* is an original and unforgettable book *The Pious Sinner* Tamar Alexander-Frizer, 1991 *Hebrew-English Edition of the Babylonian Talmud* Isidore Epstein, Maurice Simon, 1960 1 Berakoth deals with the laws of blessings and prayer 2 Mishnayoth Zera im the Mishnaic tractates of the Order of Zera im principally deal with laws pertaining to agriculture 3 Shabbath discusses the laws of the Sabbath 4 Erubin deals with the laws of domains as they relate to the observance of the Sabbath 5 Pesachim deals with the laws of Passover and the Passover offering 6 Bezaḥ Rosh Hashanah Shekalim these tractates deal respectively with the laws of the holidays the laws of the New Year and the laws of Temple donations 7 Yoma discusses the laws of the holiday of Yom Kippur 8 Sukkah and Moed Kattan deal with the laws of the holiday of Sukkoth and the laws of the intermediate days of the holidays respectively 9 Ta anith Megillah and Hagigah deal with the subjects of fast days the holiday of Purim and the special holiday offering respectively 10 Yebamoth deals with the subject of levirate marriage 11 Kethuboth this volume deals with the laws of the kethubah a document delineating a husband s obligations to his wife 12 Nedarim deals with the subject of vows 13 The tractate of Nazir deals with the subject of Nazarite vows the tractate of Sotah addresses the laws pertaining to a wife suspected of adultery 14 Gittin deals with the subject of divorce 15 Kiddushin deals with the laws of marriage 16 Baba Kamma deals with the laws of property damage injury and compensation for theft robbery or violence 17 Baba Metzia focuses on property ownership wages
