A Caesar Workbook Debra L. Nousek, Rose Williams, 2012      Latin for the New Millennium: Level 3: Student text, 2012

The Landmark Julius Caesar Kurt A. Raaflaub, 2019-02-05 The Landmark Julius Caesar is the definitive edition of the five works that chronicle the military campaigns of Julius Caesar Together these five narratives present a comprehensive picture of military and political developments leading to the collapse of the Roman republic and the advent of the Roman Empire The Gallic War is Caesar's own account of his two invasions of Britain and of conquering most of what is today France Belgium and Switzerland The Civil War describes the conflict in the following year which after the death of his chief rival Pompey and the defeat of Pompey's heirs and supporters resulted in Caesar's emergence as the sole power in Rome Accompanying Caesar's own commentaries are three short but essential additional works known to us as the Alexandrian War the African War and the Spanish War These were written by three unknown authors who were clearly eyewitnesses and probably Roman officers Caesar's clear and direct prose provides a riveting depiction of ancient warfare and not incidentally a persuasive portrait for the Roman people and for us of Caesar himself as a brilliant moderate and effective leader an image that was key to his final success Kurt A Raaflaub's masterful translation skillfully brings out the clarity and elegance of Caesar's style and this together with such Landmark features as maps detailed annotations appendices and illustrations will provide every reader from lay person to scholar with a rewarding and enjoyable experience With 2 color text maps and illustrations throughout web essays available at <http://www.thelandmarkcaesar.com>      **Caesar's Blood** Rose Williams, 2013-12-12 This history based on events recorded by ancient historians Sallust Tacitus Cassius Dio Suetonius and others reads like a novel It explores the reigns of the Roman emperors Augustus Tiberius Caligula Claudius and Nero The demands of heredity loomed large in their lives Those who sprang from greatness must be great themselves whether or not they had either the ability or the desire to be so This book presents the challenges and dilemmas of the Caesars and their contemporaries in narrative form with interpolations of dialogue as the ancient writers did taking the known facts and interpreting the characters through them giving real people the motivations they may have had This book provides readers a new thought provoking look at one of the most fascinating families in history and one whose profound effect upon the world still touches us today This history based on events recorded by ancient historians Sallust Tacitus Cassius Dio Suetonius and others reads like a novel It explores the reigns of the Roman emperors Augustus Tiberius Caligula Claudius and Nero The demands of heredity loomed large in their lives Those who sprang from greatness must be great themselves whether or not they had either the ability or the desire to be so This book presents the challenges and dilemmas of the Caesars and their contemporaries in narrative form with interpolations of dialogue as the ancient writers did taking the known facts and interpreting the characters through them giving real people the motivations they may have had This book provides readers a new thought provoking look at one of the most fascinating families in history and one whose profound effect upon the world still touches us today This
