Cage Corps Security English Edition:

Cage Harper Sloan, 2018-05-03 Greg Cage was born to protect While growing up he was his mother and sister s shield against the world until he failed For the last decade he has carried that guilt and need for vengeance around until it was stripped from him Now with his best friend getting married and no longer needing his protection he is even more lost completely adrift and desperate for some control All he has ever known was how to protect his family his friends and his country Can he go against everything he has ever known and give up that control Melissa Larson will never let anyone hold the reins in her life She has been the rock in her family for more years than she can remember and the fight to keep them together is her main priority right now She has always been fiercely independent and proud The last thing she will ever do is ask for someone else s help But when that choice is out of her control forcing her to rely on others to save her and her family and pick up the pieces that are left will she be able to let someone else be her strength The second Greg locks eyes with Meli he knows that she is someone he needs Someone he craves Meli knew the second she met Greg that he would be nothing but trouble and heartache Her life takes an unexpected turn and that bitch Fate is back to wreak more havoc on another member of the Corps family All hell breaks loose leaving Greg no choice but to call in a favor He hooks back up with his old friend Braxxon Breaker from the Breakneck MC Together they make sure that nothing threatens anyone Greg loves again

Uncaged Harper Sloan, 2018-05-03 Greg Cage s life is more fulfilling than he ever could have imagined He s married to the love of his life has an amazing son and in a few short months his family will grow again with the birth of his twin girls The past year has been a tough one for the Cage family but they are now on the road to healing by learning to let go of the past and looking forward to their future When situations beyond his control threaten to take away so much of what Greg holds close to his heart he has to learn that he doesn t always have the control he tries to maintain in their lives Will he be able to handle the stress of knowing his wife and newborn daughters are beyond his protection Join the Cage family as they embark on yet another one of life s journeys with a rambunctious four year old pregnancy complications and the fear of the unknown Will the love that Greg and Melissa share hold true as they fight to overcome the obstacles that face them Oil

Exploration, Diplomacy, and Security in the Early Cold War Roberto Cantoni, 2017-03-27 The importance of oil for national military industrial complexes appeared more clearly than ever in the Cold War This volume argues that the confidential acquisition of geoscientific knowledge was paramount for states not only to provide for their own energy needs but also to buttress national economic and geostrategic interests and protect energy security By investigating the postwar rebuilding and expansion of French and Italian oil industries from the second half of the 1940s to the early 1960s this book shows how successive administrations in those countries devised strategies of oil exploration and transport aiming at achieving a higher degree of energy autonomy and setting up powerful oil agencies that could implement those strategies However both within and outside their national territories these two European countries had to confront the new Cold War balances and the
