Operator's Manual, 1983 **Training Manual for the U. S. Marine Corps** United States Marine Corps Planning, 2025-05-22 This is a detailed training manual for the United States Marine Corps, likely dating from the period immediately following World War I. It offers a fascinating glimpse into the methods and strategies employed by the USMC at a pivotal moment in its history. Although the manual's specific publication date is 1919, its contents reflect a broader period of military evolution and adaptation. This manual provides a valuable resource for military historians, veterans, and anyone interested in the development of modern military practices. Compiled by the Planning Section of the U. S. Marine Corps, the Training Manual covers a wide range of topics essential for preparing Marines for combat and service. It is a historical document that provides insight into the Marine Corps' approach to training and its role in national defense.
