Chicago-Style Citation Quick Guide

The Chicago Manual of Style presents two basic document citation systems, as each system is favored by different groups of scholars.

The notes and bibliography style is preferred by many in the humanities and accommodates a variety of sources, including esoteric and electronic sources.

The author-date system has long been used by those in the natural and social sciences. The short citations are amplified in a list of references.

Aside from the use of notes versus parenthetical references, the two systems differ in examples of common electronic sources. For numerous
