Leadership in the Bible Paul Ohana, David Arnov, 2016-09-15 Based on current thinking and research from the fields of management and psychology, *Leadership in the Bible* provides guidance about the most effective ways of responding to forty challenging situations you encounter every day. This guidance is grounded in the wisdom of three key figures in Hebrew scripture: Abraham, Joseph, and Moses. It explores how they coped with similar challenges and it provides recommendations about how to respond to these situations at work or at home.
