Blake Education Narrative Writing:

Blake's Writer's Guide for Primary Students Merryn Whitfield, 2009 This colourful book is a comprehensive reference book for students from middle primary upwards and for everyone who wants to communicate effectively through writing. Blake's Writer's Guide is split into two parts. Part 1 The Writing Process Provides step by step instructions on the five stages of the writing process: pre-writing, drafting, revising, editing, proofreading, publishing. The traits of good writing and the tools of an author are also examined in detail. Part 2 Text Types Explains what text types and genres are and features several samples of imaginative, informative and argumentative texts. Each text sample is shown with annotations that highlight their specific language and structure features. The text types examined in the guide are: Imaginative narrative texts, science fiction, fairytales, poetry, dramatic plays, anecdotes. Argumentative texts: expositions, arguments, letters to the editor, advertisements, reviews, discussions. Informative texts: factual recounts, reports, explanations, news articles, procedures, biographies, descriptions.

Writing Narrative Text: Upper primary Del Merrick, 2006 Provides teachers with a systematic framework for encouraging students to write interesting and imaginative stories. Contains a wide range of activities and ideas for a meaningful writing program. Includes activities in the areas of grammar, dialogue, vocabulary and story construction.

Writing Narrative Text: Lower primary Del Merrick, 2006 Provides teachers with a systematic framework for encouraging students to write interesting and imaginative stories. Contains a wide range of activities and ideas for a meaningful writing program. Includes activities in the areas of grammar, dialogue, vocabulary and story construction.

Stimulating Emerging Story Writing! Simon Brownhill, 2015-10-16 Stimulating Emerging Story Writing Inspiring Children aged 3-7 offers innovative and exciting ways to inspire young children to want to create stories and develop their emerging story writing skills. This practical guide offers comprehensive and informed support for professionals to effectively engage child authors in stimulating story writing activities. Packed full of story ideas, resource suggestions and practical activities, the book explores the various ways professionals can help young children to develop the six key elements of story: these being character, setting, plot, conflict, resolution and ending. All of the ideas in the book are designed to support a setting's daily writing provision, such as mark-making opportunities, role play and using simple open-ended play resources. Separated into two sections and with reference to the EYFS and Key Stage 1 curricula, this timely new text provides practitioners with tried and tested strategies and ideas that can be used with immediate effect. Chapters include: Creating Characters, The Plot Thickens, Inspired Ideas, Resourcing the Story, Stimulation. This timely new text is the perfect guide for inspiring young children aged 3-7 in the classroom and will be an essential resource for practitioners, teachers and students on both early years and teacher training courses.
