**Substantial Rehabilitation & New Construction** William Duncan, 2013-11-11 The procedures in this manual distill six years of learning about the most efficient acquisition and construction methods in this country for high volume production of housing affordable to low income people The people in the Rehab Work Group at The Enterprise Foundation have gathered this information first hand and conveyed it in training workshops on production management throughout the country Over 2000 participants in the workshops have included rehab specialists from city housing departments construction managers of single and multifamily rehab projects program managers from both nonprofit housing development organizations and city rehab departments as well as students in colleges and universities They are becoming the backbone of a new cadre of effective producers of affordable housing In the 30 cities and several rural areas where we have both learned and applied these production management techniques they have resulted in savings of 5 10 even 25 percent of the cost of housing development The Enterprise Foundation is a national nonprofit organization that my wife Patty and I launched in 1982 The Foundation's mission is to see that all very low income Americans have the opportunity for fit and affordable housing within a generation and work their way up and out of poverty into the main stream of American life *Ramsey/Sleeper architectural graphic standards* Charles George Ramsey, Harold Reeve Sleeper, John Ray Hoke, American Institute of Architects, 1994-03-21 The architect's standard reference for over 60 years is now available as a book CD ROM set Use the book for ideas and inspiration Then use one of five powerful search methods on the CD ROM to quickly find all the information you need for a design project [AIA Journal](#) American Institute of Architects, 1963 *List of Chemical Compounds Authorized for Use Under USDA Inspection and Grading Programs*, 1980 **Miscellaneous Publication**, 1980 *AIA Guide to New York City* Norval White, Elliot Willensky, American Institute of Architects. New York Chapter, 2000 Since the AIA Guide to New York City was first published in 1967 it has been recognized as the ultimate guide to the metropolis's buildings in all five boroughs Manhattan Brooklyn Queens the Bronx and Staten Island from nineteenth century brownstones and tenements to modern high rise apartments and museums The latest edition of this urban classic takes a fresh look at the architectural treasures that define New York from its most characteristic landmarks to its less famous local favorites To prepare this edition the first revision since 1987 Norval White has visited and revisited more than 5 000 buildings making this by far the most complete guide of its kind This generously illustrated handbook presents the structures of the New York City from the magnificent to the obscure in over 3 000 new photographs more than 130 new maps and hundreds of revised and new entries Beyond the skyscrapers and historical buildings the guide also leads the way to the city's bridges parks and public monuments From the tip of the Empire State Building to the brownstones in Brooklyn the AIA Guide to New York City reveals how the city's spirit fortitude and character are captured and expressed in its architecture Thoughtful and humorous descriptions include fascinating bits of local information that bring the city's history to life telling the stories behind the bricks and mortar

Together the maps photographs and expert critiques invite you on a special grand tour of the city at your own pace This guide is a definitive record of New York s architectural heritage and provides a compact authoritative directory for lovers of New York City all over the world Its portability and encyclopedic quality make it an ideal traveling companion for any walker in the city For the sightseer the architect or anyone on a casual stroll the AIA Guide to New York City is the book to grab on your way out the door

**Global Comparability of Financial Reporting Under IFRS** Francesco De Luca, Ho-Tan-Phat Phan, 2022-11-14 The globalization of financial markets worldwide has progressively pushed toward simultaneous globalization of accounting information Thus during the last 50 years categories of preparers users and regulators have devoted their efforts to support the global comparability of financial reporting aiming at favoring the comparison of corporates financial performances at a cross country level In the same vein IASB national standard setters and jurisdictions have participated in and given momentum to this process At the same time academic research has followed this process and tried to build a theoretical framework to address the related issues to assess the impact on preparers users and regulators while defining hindrances and obstacles to the comparability of financial reporting especially in an IFRS environment In this context this book reviews research studies on the comparability of financial reporting at a global level as well as highlights empirical analyses that demonstrate the extent to which global comparability has been achieved and how it enhances value relevance of earnings across countries It also looks at the cross country investors perspectives by shaping the empirical analysis to provide further insights on the role of the Big Four auditing services in enhancing the comparability of earnings The book provides an original contribution to the current debate about the comparability of financial reporting under IFRS and will be useful for researchers in the field
