Blantyre Baptist Academy Malawi:

Christians by Grace-- Baptists by Choice Hany Longwe, 2011 The Baptist convention of Malawi BACOMA grew out of the Baptist Mission in Malawi's work that began almost 50 years ago as a result of plans by the Central African Southern Baptist Convention Mission to expand their works from Zimbabwe to Malawi. Although BACOMA owes much of their tradition to the white Southern Baptists of the US, they are typically a Malawian expression of the Church. In five chapters, the author, a long-standing Principle of the Baptist Theological Seminary of Malawi, offers a history of the Baptist convention of Malawi. The five themes being BACOMA's Polygenetic Nature, Evangelistic Zeal, and the Development of BACOMA 1970-1989, Women and Youth in Evangelism, and the Development of BACOMA Separation and Cooperation, A Loose Partnership, and The People

Malawi Telephone, Telefax and Yellow Pages Directory, 2009 **Mission in Malawi: Essays in Honour of Klaus Fiedler** S. Nkhoma, 2021-10-29 The first four essays in *Mission in Malawi* reassess the meaning, nature, and place of mission in a postmodern world. Subsequent essays examine various issues that missionaries and the Church in Malawi have and continue to struggle with. These range from the problem of administering church discipline, the challenge of Bible translation, the question of how to deal with corruption in the corridors of power, to the challenges of dealing with initiation rites, HIV/AIDS, patriarchy, gender inequality, the exercise of the Church's prophetic role, lack of contextualized theology, and the difficult task of creating an inclusive church and society. The last three essays are an attempt to describe a contextual theology appropriate for the African church, construct a theology for Malawi, and project a future for mission in Malawi in the context of a changing world. These essays offer a rare window into the life and struggles of the Malawian Church even as it faces the postmodern future. The essays are not only informative but also challenging and thought-provoking. Scholars, students, and other readers who share an interest in mission and the life of the Church in Malawi will find this collection of essays indispensable in the many years to come. *Malaŵi National Bibliography* Library of the National Archives (Malawi), 1984
