Victoria Sparks, 2015-05-12 *A Stepbrother Billionaire Lover Romance* I needed some major discipline in my life. For years I'd grown up in an unhappy family with my mother and stepfather who treated me like garbage and set up a highly dysfunctional household around us. There was one person though who seemed to love me more than anyone in the world, my stepbrother. He would have given me the shirt off of his back if I'd asked for it. But while he was working to better himself, slowly building up an empire that would eventually make him a billionaire, I was wasting my life with my cruel and unloving high school sweetheart, Ryan, stuck in the muck of my unhappy existence. It took a pregnancy scare for me to step back and question what I was doing with myself, and I decided from that point on, and with the help of my stepbrother, that I was going to start making some major changes to my life. But first, that would require a visit to my stepbrother's mansion and some discipline involving a blindfold and whips. This is a stand-alone Contemporary New Adult Romance novel. No Cliffhanger. A Billionaire Stepbrother Romance Do you think that it's true what they say about money not being able to buy happiness? I do. Raised with my mother in a poor environment, my life changed drastically when she married a kind and loving billionaire, a man as rich in spirit as he was in wealth, and I was suddenly dropped into the lap of the aristocracy. Adapting was always difficult for me, shy and reserved and lacking confidence, as I was forced to be social in ways that I never had before. In the past, what's more, I felt an intense sense of loneliness, harboring a secret crush on my stepbrother, Alex, for years without him knowing it, and him seeming like he saw the connection between us as nothing more than a simple sibling relationship. I watched for years as Alex destroyed his life with his own wealth, going down a heartbreaking path of debauchery and excess, thinking the whole time that he'd forgotten about me in my sad, lonely life. But then one night he comes to my doorstep with a long hidden confession of his own, and I have to ask myself: If you can't buy happiness with money, can you still find a way to be happy despite it?
