## **Blind Passion A Supernatural Love Affair:**

Blind Passion Malena Paltero, 2014-12-08 Ella wasn't sure when she started thinking about her relationship with SINGUR in a spiritual way. At first it was just something delicious, something that was hers alone. It had all started so innocently when Dr. Manuela Rowan, Ella's friend and family doctor, logged onto her computer to monitor her son's Internet activity. What she found was an adventure she did not even know she yearned for, and the kind of love she thought she had lost forever. She knew him only as Singur, another player in an online game. As they sent messages back and forth, Ella felt a strange electric sensation running through her entire body. She quickly dismissed it and went about another chaotic day as doctor, wife, and mother. But that night, as her husband John slept, Ella suddenly found herself outside her body and in the arms of another man. He was dark, he was much younger than her, and he was definitely not John. After a night of passion, Ella woke up spent and panting in her own bed. Although she had never met Singur, had never even seen a picture of him, she had no doubt he was the man she had just been with. Her logical mind told her she was dreaming, but her body and heart told her something very different. Messages from Singur revealed that he was as confused as she. But whatever this connection was, neither of them could deny its power over them. So begins their astral love affair, messaging each other by day, erotic adventures by night. Soon Ella realizes that he is not just a distraction from her humdrum life, but the soul mate she has been searching for. As the line between reality and fantasy begins to blur, Ella knows she must make a decision that will change her life and the lives of her family forever.

**Dreams of Love and Fateful Encounters** Ethel S. Person, 2007-04-02 This groundbreaking study has been widely hailed for its focus on a human emotion generally considered impervious to rational analysis: romantic, passionate love. Ethel Person views romantic love as a powerful agent of change, arguing that it is as central to human culture as it is to human existence. This new edition of *Dreams of Love and Fateful Encounters* emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love-related issues: from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love. She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts. Employing a philosophical perspective in order to understand the existential dilemmas posed by love and a cultural perspective in order to understand its cultural variability, Dr. Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love. She acknowledges love's vital importance and power, proposing that passion serves an important function not only for the individual but also for the culture, while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love. Among the issues she discusses are romantic love's sources in our early lives, its relationship to imagination and creativity, and its capacity to enable the lover to transcend the self. How romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities, the transformational potential of transference love in the therapy process, flaws in the common

misperception that women are more influenced by romantic love than men considerations of homosexual love love across generations and love triangles focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature film and real life Person focuses on the lover s internal soliloquy and external dialogue with the beloved that can develop over an individual s life An uplifting resource for people experiencing failing or unorthodox romances Dreams of Love and Fateful Encounters boldly takes on issues pertinent to lovers to professionals who encounter patients for whom key conflicts revolve around romantic love and to anyone who has struggled to understand the importance of romantic love in his or her own life **Saints and Scoundrels in the Story of Jesus** Nancy Guthrie,2020-04-14

The story of Jesus includes all kinds of characters Some see these people as mere examples to follow or to avoid and some have only heard about them in Sunday school stories But their interactions with Jesus reveal much more about the person of Jesus himself and the message he has for us Saints and Scoundrels in the Story of Jesus tells the story of 10 people or groups of people who are integral to the story of Jesus told in the Gospels Each chapter takes a character off the Sunday school felt board and reveals them as a three dimensional person with desires motivations flaws and limitations They are more than examples they show us a unique angle on the grace available through Jesus for sinners Each chapter also offers challenging applications to the lives of readers Polygamy and Sublime Passion Keith McMahon,2009-11-24

For centuries of Chinese history polygamy and prostitution were closely linked practices that legitimized the polygynous male the man with multiple sexual partners Despite their strict hierarchies these practices also addressed fundamental antagonisms in sexual relations in serious and constructive ways Qing fiction abounds in stories of female resistance and superiority Women main wives concubines and prostitutes were adept at exerting control and gaining status for themselves while men indulged in elaborate fantasies about female power In Polygamy and Sublime Passion Keith McMahon introduces a new concept passive polygamy to explain the unusual number of Qing stories in which women take charge of a man s desires turning him into an instrument of female will To this he adds a story that haunted the institutions of polygamy and prostitution the tale of sublime passion in which the main characters are a remarkable woman and her male lover Throughout the book McMahon examines how polygamy prostitution and the story of sublime passion encountered the first stages of paradigmatic change in the nineteenth century decades before the legal abolition of polygamy By the end of the Qing dynasty in 1911 love stories were celebrating the exploits of street smart prostitutes who fleeced gullible patrons in the bustling city of Shanghai What do these characters have in common with their early counterparts as men and women became inhabitants of a new city in an era flooded with ideas from radically foreign sources all of this taking place in a time of economic and cultural dislocation McMahon reads late Qing love stories in a historically symbolic way taking them as part of a larger fantasy of Chinese civilization undergoing a fundamental crisis The polygamous marriage and the affairs of the brothel became metaphorical staging grounds for portraying the destiny of China on the verge of modernity Finally McMahon speculates on the changes polygamous sexuality

underwent after the Qing dynasty ended and whether it exerted a residual influence in later times Polygamy and Sublime Passion will undoubtedly engage those interested in Chinese society culture literature and gender studies as well as comparativists seeking to understand the diverse responses to modernization around the world *The Congregationalist and Christian World* ,1904 *The Passion Translation New Testament Masterpiece Edition (2020 edition)* Brian Simmons,Cheryl Ricker,2021-11-02 Encounter the Heart of God The Passion Translation is a modern easy to read Bible translation that unlocks the passion of God s heart and expresses his fiery love merging emotion and life changing truth The Masterpiece Edition of this translation includes 60 inspiring devotions penned by author Cheryl Ricker and 60 breathtaking illustrations from the hand of artist Ron DiCianni This Bible will evoke an overwhelming response in every reader unfolding the deep mysteries of the Scriptures If you are hungry for God The Passion Translation will help you encounter his heart and know him more intimately Fall in love with God all over again NEW FEATURES Over 1000 new and revised in depth footnotes with insightful study notes commentary word studies cross references and alternate translations Updated text 16 pages of full color maps locating and identifying o Jesus birth early years ministry and last days o major New Testament stories and their political backgrounds o epic journeys and missions of the apostles Paul Philip and Peter o the early church and seven churches of Revelation o the territory of the Roman Empire o the Holy Land today and in the time of Jesus **The Haunted Eye** Frederick Burwick,1987 *The Outlook* ,1898 **Studies in Symbolism and Cultural Communication** Gregory Bateson,1982 **The Athenaeum** ,1897 *Interior* ,1920 **The Woman's World** ,1888 *Continent* ,1920 *Lives of the Great Romantics, Part III* Betty T Bennett,2022-07-30 This volume sheds light on contemporary perception of William Godwin Mary Wollstonecraft and Mary Shelley a biographically and intellectually compelling literary family of the Romantic period The writings reveal the personalities of the subjects and the motives and agendas of the biographers **The Church Invisible** ,1916 *The Speaker* ,1896 *A.L.A.
