NEW READ AN EXCERPT Grinning Devlin grabs a protuberant outcrop in the middle of the bark It's a very knobbed piece of wood about four inches long and one and the half inches in diameter It is shaped like a lifted finger It juts out from the tree like a small Saguaro cactus stem Come here Gia In bewilderment I trot over to the woody piece It is level to my stomach Touch it Feel it I curl my fist around the stem feeling its rough whorls and ridges Apprehension creeps into every pore of my body Devlin explores my ass as I do so pinching my cheeks and prodding the soft flesh Now stand against the tree and raise your hands above your head The fear rises to my throat as I obey The woody knob presses against the small of my back like the barrel of a gun From behind Devlin lowers the topmost restraints Then he slips my wrists through the loops and secures them snugly with the ratchets When he finishes my arms are pulled so tightly above my head that I'm almost standing on tiptoe I whimper softly Hush now hush He strokes my breasts as he lifts my right leg and posits my ankle into the loop of the right sling Once again he secures it tightly I'm in a very awkward position with my right leg thrust high up and my left leg still dangling down pulled by gravity My angled pussy is wide open and very moist Devlin repeats this with my left leg into the opposing sling so that when he is finished I'm securely fastened to the tree with both my legs hiked up in a V formation above me The bonds are tight and uncomfortable My entire vagina and asshole area are cruelly displayed If I look down I can see my very prominent pink labia and my quivering clit just above the gaping black hole of my pussy But Devlin is not finished with me He goes to the back of the tree and begins to further play with my bonds He hauls the ones securing my wrists up so that I am lifted even higher Then he comes to my front My open pussy is at the level of his extremely hard cock Now easy does it baby He grabs hold of both my buttocks and the undersides of my thighs The muscles on his arms and shoulders bulging he lifts me up by the hips and posits my asshole which is rapidly contracting and puckering from my obvious distress above the woody stem of the tree
