THE TRANSFER OF PROPERTY ACT, 1882: A COMPREHENSIVE GUIDE Dr. Vandita Chahar, Somya Singh, 2025-09-20

The Transfer of Property Act 1882 is a foundational statute of Indian property law that governs the voluntary transfer of immovable property between living persons. This document provides a detailed analysis of the Act tracing its roots from ancient Indian traditions and colonial codification to its present role in modern real estate and property transactions. It outlines the objectives of the Act such as codification of property laws, recognition of inter vivos transfers, establishment of uniformity, protection of rights, prevention of fraud, and encouragement of proper documentation. The scheme of the Act is explained through its eight chapters covering sales, mortgages, leases, exchanges, gifts, and actionable claims, supported by simplified section-wise commentary and judicial interpretations. Landmark cases like *K J Nathan v S V Maruthi Rao*, *Ram Karan v State of U P* and *Jumma Masjid v Kodimaniandra Deviah* are discussed to illustrate how courts have shaped its application. The document also highlights amendments, criticisms, and contemporary challenges such as urbanization and digital land records, while including MCQs and descriptive questions for academic use. Overall, it presents the Act as a living legal instrument that balances the rights of transferors and transferees while upholding the principles of justice, equity, and good conscience.
