Blood Done Sign My Name Study Guide:

Blood Done Sign My Name Timothy B. Tyson, 2007-12-18 The riveting true story of the fiery summer of 1970 which would forever transform the town of Oxford North Carolina a classic portrait of the fight for civil rights in the tradition of To Kill a Mockingbird Chicago Tribune On May 11 1970 Henry Marrow a twenty three year old black veteran walked into a crossroads store owned by Robert Teel and came out running Teel and two of his sons chased and beat Marrow then killed him in public as he pleaded for his life Like many small Southern towns Oxford had barely been touched by the civil rights movement But in the wake of the killing young African Americans took to the streets While lawyers battled in the courthouse the Klan raged in the shadows and black Vietnam veterans torched the town's tobacco warehouses Tyson's father the pastor of Oxford's all white Methodist church urged the town to come to terms with its bloody racial history In the end however the Tyson family was forced to move away Tim Tyson's gripping narrative brings gritty blues truth and soaring gospel vision to a shocking episode of our history FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD If you want to read only one book to understand the uniquely American struggle for racial equality and the swirls of emotion around it this is it Milwaukee Journal Sentinel Blood Done Sign My Name is a most important book and one of the most powerful meditations on race in America that I have ever read Cleveland Plain Dealer Pulses with vital paradox It's a detached dissertation a damning dark night of the white soul and a ripping yarn all united by Tyson's powerful voice a brainy booming Bubba profundo
