Barr McClellan

Blood Money 1st Edition:

Bloodmoney David Ignatius, 2025-04-25 You emerge from its pages as if from a top level security briefing confident that you have been let in on the deepest secrets Washington Post Someone in Pakistan is killing the members of a new CIA unit trying to buy peace with America's enemies It falls to Sophie Marx a young officer with a big chip on her shoulder to figure out who s doing the killing and why Unfortunately for Sophie nothing is quite what it seems This is a theater of violence and revenge in which the last act is one that Sophie could not have imagined Blood Money Rochelle Majer Krich, 1999 Driven by the recently acquired knowledge that she is descended from victims of the Nazis LAPD homicide detective Jessica Drake unravels a twisted plot that leads her to mysterious deaths among Holocaust survivors The Great American Mission David Ekbladh, 2011-08-08 The Great American Mission traces how America's global modernization efforts during the twentieth century were a means to remake the world in its own image David Ekbladh shows that the emerging concept of modernization combined existing development ideas from the Depression He describes how ambitious New Deal programs like the Tennessee Valley Authority became symbols of American liberalism's ability to marshal the social sciences state planning civil society and technology to produce extensive social and economic change For proponents it became a valuable weapon to check the influence of menacing ideologies such as Fascism and Communism Modernization took on profound geopolitical importance as the United States grappled with these threats After World War II modernization remained a means to contain the growing influence of the Soviet Union Ekbladh demonstrates how U S led nation building efforts in global hot spots enlisting an array of nongovernmental groups and international organizations were a basic part of American strategy in the Cold War However a close connection to the Vietnam War and the upheavals of the 1960s would discredit modernization The end of the Cold War further obscured modernization s mission but many of its assumptions regained prominence after September 11 as the United States moved to contain new threats Using new sources and perspectives The Great American Mission offers new and challenging interpretations of America's ideological motivations and humanitarian responsibilities abroad Blood, money & power Barr McClellan, 2003 The author formerly one of Lyndon Johnson's lawyers explains why he believes that Johnson was behind the Kennedy assassination The Publishers Weekly ,1928 The Ouran Andrew Rippin, 2024-11-01 This volume is one of two edited by Andrew Rippin which are designed to complement one another and to comprehend the principal trends in modern scholarship on the Qur an Both volumes are provided with a new introduction by the editor analysing this scholarship and providing references for further study The Qur an Style and Contents reveals the variety of approaches followed within the study of the text From N ldeke s examination of style through Arkoun s project for the future these scholarly statements reflect the historical development of the discipline while providing overviews of key elements for the understanding of the Qur an **Bookman's Guide to Americana** Joseph Norman Heard, Charles F.
