level A powerful talent is on the scene whole heartedly recommended Drew Cross former police officer author of BiteMarksGrab this fast paced mystery with a twist of romance and take a trip to Hawaii with the series that s sold more than a million copies     Video Source Book ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction     Bowker's Complete Video Directory, 1999 ,1999     *Lei Crime Series Boxed Set* Toby Neal,2015 Blood Orchids Torch Ginger Black Jasmine and Broken Ferns the AWARD WINNING first four books of the Lei Crime Series are put together into a one volume one immersive reading experience that will take you to Hawaii and the world of fast paced mysteries solved by multicultural detective Lei Texeira No one can read just one Toby Neal s storytelling skills are evident in these books about a female law enforcement office in the Hawaiian Islands The characters are always strong interesting people with many layers to their personalities Their actions often surprise but not without clues laid by the author that help the reader understand The plots are crafted with care created so that they flow naturally and never feel forced The stories pull in the reader and make it impossible to put down the books I ve often lost sleep when reading her latest because I end up reading late into the night Most importantly these books are a sort of immersion course in Hawaiian culture food and geography There are many layers of details in these novels information about native Hawaiians and those new to the islands how the various cultures sometimes clash how outsiders may have to alter their behaviors to be accepted fully The food descriptions alone are enough reason to read the books I loved every book in this series each one adding to the story of Lei her life her family her complex history and finally her growth into an amazing law enforcement officer F Pepoon Reviewer
