Blood Ties Bound By Blood:

Palestinians in Israel after the Arab Spring Yusri Hazran Khaizran, Muhammad Khalaily, 2025-05-01 The Arab Spring initially ignited excitement for Arab society in Israel But following the outbreak of the uprising in Syria Israeli Arab attitudes shifted This book demonstrates why the Arab Spring and especially the war in Syria provoked such deep fragmentation for Palestinians in Israel Based on governmental and public surveys the book shows that many more Arab Palestinian citizens became supportive of instrumental integration with Israeli politics following the Arab Spring But the momentous events convinced other Arab citizens to abandon the connection between finding a solution for the Palestinian problem if it involved integration with the state At the same time this book reveals that the younger generations wanted to search for alternatives to replace the existing political frameworks completely and were inspired to form a new model of political activism This is the first study to explore how the Arab Spring affected Arab society in Israel in terms of identity political discourse and behaviour In doing so it covers the new policy adopted by the central government in Israel formed after 2011 to strengthen civic discourse amongst Arab citizens It has been neither Israelization nor Zionization but Instrumental integration which meets the conditional citizenship offered by the state

Blood Forever Mari Mancusi, 2012-09-04 Sunny and Rayne McDonald have had their lives turned upside down thanks to the Blood Coven But when the past itself is changed the sisters will do anything to get back what they've lost After making a deal with the devil Rayne and her twin sister Sunny have been given the chance to go back in time to prevent that fateful night when Sunny was bitten by Magnus from ever happening But while Sunny has been offered a vampire free existence she finds she doesn't want to live without Magnus by her side And although Rayne puts up a stoic front she secretly wishes that the vampire Jareth was back in her arms To reclaim their lives Sunny and Rayne team up to figure out a way to change history for the better Problem is Jareth and Magnus aren't all that eager to help two unfamiliar girls who somehow know everything about their vampiric organization Now if the twins can't get the boys on their side history may spiral out of control destroying not only the Blood Coven but quite possibly the entire human race

Homicide in the Biblical World Pamela Barmash, 2005 Homicide in the Biblical World analyses the treatment of homicide in the Hebrew Bible and demonstrates that it is directly linked to the unique social structure and religion of ancient Israel Close parallels between biblical law and ancient Near Eastern law are evident in the laws of the ox that gored and the pregnant woman who is assaulted but when the total picture of the process by which homicide was adjudicated comes into view what is most noticeable is how little of it is similar to ancient Near Eastern law This book reconstructs biblical law from both legal texts and narrative texts and analyses both the law collections and documents from actual legal cases from the ancient Near East
