Bloomberg Study Guide Equity Essentials:

Your Essential Guide to Sustainable Investing Larry E. Swedroe, Samuel C. Adams, 2022-04-05 Sustainable investing is booming The investment industry is fast approaching a point where one third of global assets under management are invested with a sustainable objective But do sustainable investment products do what investors expect them to do How can an investor tell if their investments are having the social impact they want Does that impact come at a financial cost And how can investors weave their way through the web of confusing acronyms conflicting agency ratings and the mass of fund offerings confident that they can recognize and avoid corporate greenwashing Larry Swedroe and Sam Adams cut through the fog and bring clarity on all of this and more providing investors with a firm plan for truly sustainable investing The authors first define sustainable investing illuminating the differences between ESG SRI and impact investing and reveal who is currently investing sustainably and why They then move on to a comprehensive review of the academic research What does the data really say about risk and return in sustainable investing What performance can you genuinely expect from sustainable investments And how are today's sustainable investors using their influence to drive positive changes for society and the environment Finally this book arms you with a practical guide to investing sustainably including how to effectively choose your asset allocation strategy and select the managers and funds through which your money can create the change you want to see in the world *Your Essential Guide to Sustainable Investing* is the definitive go to resource that investors have been waiting for

Bloomberg Markets, 2008 **Make the Deal** Christopher S. Harrison, 2016-02-15 A comprehensive introduction to today's M in practice it changes at the speed of light Staying ahead of the market is the single most critical element of making the best deal and the strategy that worked for one deal most likely won't work for the next Instead of simply providing a list of strategies that have worked in the past this book shows you why they worked so you can tailor your strategy specifically to your next deal Learn how M A contract terms affect economic outcomes Examine the techniques and mechanics of today's acquisition agreements Develop a legal framework that supports your business strategy Follow the ups and downs that arise in real world cases A successful M A transaction requires both attention to detail and a big picture view combined with skill intellect and ingenuity *Make the Deal* brings it all together to show you how to run the table and come away with a win
